SUPPLEMENTARY INFORMATION: DEA

published a Notice of Proposed Rulemaking (70 FR 43809) proposing the placement of embutramide into Schedule III of the Controlled Substances Act (CSA). The proposed scheduling action is based on a scientific and medical evaluation and recommendation by the Department of Health and Human Services and an evaluation of this and other information by DEA. On August 22, 2005, DEA received a request for an extension of the period in which to comment and request a hearing. The requestor indicated that the additional time is necessary to review the scientific articles and other information cited by DEA in support of its scheduling proposal. Upon consideration of this request, a thirty day extension of the time to comment and request a hearing is granted. This allows sufficient time for interested persons to evaluate and consider all relevant information and respond accordingly. Therefore, the comment period and time to request a hearing is extended to September 28, 2005. Comments must be received by the DEA on or before this date.

Dated: August 24, 2005.

Michele M. Leonhart,

Deputy Administrator.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish special local regulations during the "Chesapeake Ultra Triathlon", an event to be held October 1, 2005 on the waters of Choptank River at Cambridge, MD. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to temporarily restrict vessel traffic in a portion of the Choptank River during the Chesapeake Ultra Triathlon swim.

DATES: Comments and related material must reach the Coast Guard on or before September 19, 2005.

ADDRESSES: You may mail comments and related material to Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, hand-deliver them to Room 119 at the same address between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays, or fax them to (757) 398-6203. FOR FURTHER INFORMATION CONTACT: Dennis Sens, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD05-05-105), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

In order to provide notice and an opportunity to comment before issuing an effective rule, we are providing a shorter than normal comment period. A 20-day comment period is sufficient to allow those who might be affected by this rulemaking to submit their comments because the regulations have a narrow, local application, and there will be local notifications in addition to the **Federal Register** publication such as press releases, marine information broadcasts, and the Local Notice to Mariners.

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for a meeting by writing to the address listed under **ADDRESSES** explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

Background and Purpose

On October 1, 2005, the Columbia Triathlon Association will sponsor the "Chesapeake Ultra Triathlon". The swimming segment of the event will consist of approximately 300 swimmers competing across a 2.4-mile course along the Choptank River between the Hyatt Regency Chesapeake Bay Resort Beach and Great Marsh Park, Cambridge, Maryland. The competition will begin at the Hyatt Regency Beach. The participants will swim across to the finish line located at Great Marsh Park, swimming approximately 100 yards off shore, parallel with the shoreline. Approximately 20 support vessels will accompany the swimmers. Due to the need for vessel control during the swimming event, the Coast Guard will temporarily restrict vessel traffic in the event area to provide for the safety of
