**Jacquard, LLC, Burlington House
Division, Cliffside, NC; Notice of
Affirmative Determination Regarding
Application for Reconsideration**

By letter dated June 26, 2006, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The denial notice was signed on June 13, 2006, and is pending publication in the **Federal Register**.

The initial investigation resulted in a negative determination based on the finding that the subject firm did not separate or threaten to separate a significant number or proportion of workers as required by section 222 of the Trade Act of 1974. Significant number or proportion of the workers in a firm or appropriate subdivision thereof, means that at least three workers with a workforce of fewer than 50 workers or five percent of the workers with a workforce of 50 or more.

The Department reviewed the request for reconsideration and has determined that the petitioner has provided additional information. Therefore, the

Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 20th of July 2006.
