

issuer's securities was received by any means other than a below-market price transfer from the member seeking reimbursement. As a result, if a customer transferred its account to a new broker-dealer, or held any other shares of the issuer in its account, the member would be permitted to seek reimbursement for its expenses. The Exchange does not explain why it is consistent with the Act for the issuer to bear the distribution costs in these scenarios, or address the feasibility of tracking shares held by a particular beneficial owner where the eligibility for reimbursement may change over time. Finally, the Commission notes that Rule 14b-1 under the Act provides that a broker-dealer need not satisfy its obligations to distribute proxies or other materials to a beneficial owner unless it is provided "assurance of reimbursement of [its] reasonable expenses, both direct and indirect, incurred in connection with performing [those] obligations."²⁹ Under the Exchange's proposal, a broker-dealer would be required to distribute proxies or other materials in the circumstances described, but be precluded from seeking reimbursement of its expenses. The Exchange has not explained how this is consistent with the provisions of Rule 14b-1. Accordingly, the Commission believes questions are raised as to the consistency of the proposal with Sections 6(b)(4) and 6(b)(5) of the Act, including whether it provides for the equitable allocation of reasonable fees, protects investors and the public interest, and is not designed permit unfair discrimination between customers, issuers and broker-dealers.

The Commission notes that, under the Commission's Rules of Practice, the "burden to demonstrate that a proposed rule change is consistent with the Exchange Act and the rules and regulations issued thereunder . . . is on the self-regulatory organization ['SRO'] that proposed the rule change."³⁰ The description of a proposed rule change, its purpose and operation, its effect, and a legal analysis of its consistency with applicable requirements must all be sufficiently detailed and specific to support an affirmative Commission finding,³¹ and any failure of an SRO to provide this information may result in the Commission not having a sufficient basis to make an affirmative finding that a proposed rule change is consistent

with the Exchange Act and the applicable rules and regulations.³²

For these reasons, the Commission believes it is appropriate to institute proceedings pursuant to Section 19(b)(2)(B) of the Exchange Act³³ to determine whether the proposal should be approved or disapproved.

V. Commission's Solicitation of Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written view of interested persons concerning whether the proposal is consistent with Section 6(b)(5) or any other provision of the Exchange Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.³⁴

Interested persons are invited to submit written data, views, and arguments regarding whether the proposal should be approved or disapproved by April 13, 2021. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by April 27, 2021.

(“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on March 5, 2021, Nasdaq PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend General 9, Section 19, “Discretionary Power as to Customers’ Accounts” and adopt two new rules within General 9 at Sections 30 and 45.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/phlx/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

A proposal to amend General 9, Section 19, “Discretionary Power as to Customers’ Accounts” and adopt two new rules within General 9 at Sections 30 and 45. Each change is described below.

General 9, Section 19

Today, General 9, Section 19, “Discretionary Power as to Customers’ Accounts” has a rule citation to former “NASD Rule 2510.” General 9, Section 19 was relocated³ in 2020 from Phlx

Rule 754 in connection with a Rulebook harmonization effort.⁴

During 2008, FINRA embarked on an extended process of moving rules formerly designated as “NASD Rules” into a consolidated FINRA rulebook.⁵ As part of that relocation, NASD Rule 2510 was relocated to FINRA Rule 3260 without any substantive changes to the NASD rule text.⁶

At this time, the Exchange proposes to update the reference to “NASD Rule 2510” within General 9, Section 19 and replace it with a reference to “FINRA Rule 3260”. The Exchange also proposes to add a new section (b) to provide cross-references to rules cited within FINRA Rule 3260 to corresponding Phlx rules. In doing so, Phlx is cross-referencing two new rules which are being adopted by this proposal.

The Exchange also proposes to amend the title of this rule from “Discretionary Power as to Customers’ Accounts” to “Discretionary Accounts.”

General 9, Section 30

The Exchange proposes to adopt a new General 9, Section 30, which is currently reserved, which is identical to FINRA Rule 4511 in order to align its rule with FINRA’s rule.

By way of background, current FINRA Rule 4511 streamlined, and replaced, the language of former NASD Rule 3110(a) to clarify that members are obligated to make and preserve books and records as required under the FINRA rules, the Exchange Act and the applicable Exchange Act rules.⁷ FINRA Rule 4511 requires members to preserve for a period of at least six years those FINRA books and records for which there is no specified retention period under the FINRA Rules or applicable Exchange Act rules. The rule also clarifies that members are required to preserve the books and records required to be made pursuant to the FINRA Rules in a format and media that complies with Exchange Act Rule 17a–4. FINRA deleted the general recordkeeping provisions of NYSE Rule 440 because its provisions are substantially similar to FINRA Rule 4511.⁸

Phlx proposes to incorporate by reference FINRA Rule 4511. The Nasdaq Stock Market LLC (“Nasdaq”) General 9, Section 30 similarly incorporates FINRA Rule 4511.

General 9, Section 45

The Exchange proposes to adopt a new General 9, Section 45, which is currently reserved, and title that rule “Customer Account Information.” The Exchange proposes to adopt rule text similar to Nasdaq General 9, Section 45, which is based on FINRA Rule 4512.

By way of background, former NASD Rule 3110(c)(1) required that members maintain certain information relating to customer accounts, including, among other things, the signature of the registered representative introducing the account and signature of the member, partner, officer or manager who accepts the account. FINRA proposed to simplify this provision by instead requiring members to maintain the name of the associated person, if any, responsible for the account. Current FINRA Rule 4512 requires where a member designates multiple individuals as being responsible for an account, the member maintain each of their names and a record indicating the scope of their responsibilities with respect to the account. Also, the rule requires that members maintain the signature of the partner, officer or manager denoting that the account has been accepted in accordance with the member’s policies and procedures for acceptance of accounts.⁹

FINRA provides that with respect to accounts opened pursuant to prior NASD Rules (e.g., the January 1991 cut-off specified in NASD Rule 3110(c)), members will be permitted to continue maintaining the information required by those prior NASD Rules until such time as they update the account information in the course of their routine and customary business or as required by other applicable laws or rules. Additionally, FINRA’s rule added supplementary material to:

- Clarify that required customer account records are subject to a six-year retention period;
- Remind members that they may be subject to additional recordkeeping requirements under the Exchange Act (e.g., Exchange Act Rule 17a–3(a)(17));
- Remind members of their obligation to comply with the requirements of FINRA Rule 2070 (Transactions Involving FINRA Employees);¹⁰ [sic] and

³ See Securities Exchange Act Release No. 88213 (February 14, 2020), 85 FR 9859 (February 20, 2020) (SR–Phlx–2020–03) (Notice of Filing and Immediate

- Provide general explanations of the terms “maintain” and “preserve” for purposes of Rule 4512 only.

The remaining provisions of NASD Rule 3110(c) were incorporated into FINRA Rule 4512 without material change.

Phlx proposes to adopt a new rule, similar to Nasdaq General 9, Section 45, which provides:

(a) Phlx member organizations and persons associated with a member shall comply with FINRA Rule 4512 as if such Rule were part of the Phlx rules.

(b) For purposes of this Rule:

(1) References to Rule 3260 shall be construed as references to General 9, Section 19;

(2) references to Rules 2070, 2090, and 4512 shall be construed as references to General 9, Sections 29, 10, and this Rule, respectively;

(3) references to “a prior FINRA rule” shall be construed as references to “a FINRA or PHLX rule in effect prior to the effectiveness of FINRA Rule 4512”;

(4) PHLX and FINRA are parties to the Regulatory Contract pursuant to which FINRA has agreed to perform certain functions on behalf of BX. Therefore, PHLX members are complying with this Rule by complying with FINRA Rule 4512 as written, including, for example, providing information required by FINRA staff. In addition, functions performed by FINRA, FINRA departments, and FINRA staff under this Rule are being performed by FINRA on behalf of PHLX.

This rule text incorporates FINRA Rule 4512 similar to Nasdaq General 9, Section 45.

Exemption Request

The Exchange will request an exemption from the rule filing requirements of Section 19(b) of the Exchange Act for those rules of another self-regulatory organization (“SRO”) that it proposes to incorporate by reference and to the extent such rules are effected solely by virtue of a change to any of those rules.

Implementation

The proposed rule changes that are the subject of this filing will be operative on May 31, 2021, but only if the Exchange’s request for an exemption under Section 36 of the Exchange Act from filing proposed rule changes, described above, is granted by that date. The Exchange will publish a notice to confirm the status of its exemptive request on or before May 31, 2021. In the event the exemption is not granted by May 31, 2021, the Exchange will submit a filing to designate a different operative date.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,¹⁰ in general, and with Section 6(b)(5) of the Act,¹¹ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The proposed changes to General 9, Section 19 and adoption of the books and records rules within General 9, Sections 30 and 45 will conform certain Phlx’s Rules to FINRA rules, thus promoting application of consistent regulatory standards with respect to rules that FINRA enforces pursuant to its regulatory services agreement with Phlx.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. The proposed changes to General 9, Section 19 and adoption of the books and records rules within General 9, Sections 30 and 45 will conform Phlx Rules to those of FINRA which has no impact on competition. Today, FINRA members must adhere to these rules.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and

¹⁰ 15 U.S.C. 78f.

¹¹ 15 U.S.C. 78f(b)(5).

¹² 15 U.S.C. 78s(b)(3)(A)(iii).

subparagraph (f)(6) of Rule 19b–4 thereunder.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

¹³ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.
