SUPPLEMENTARY INFORMATION: The Equal Employment Opportunity Commission (EEOC) enforces Title VII of the Civil Rights Act of 1964 and Title I of the Americans with Disabilities Act, which

prohibit discrimination on the basis of race, color, religion, sex, national origin or disability. Sections 709(c) of Title VII and section 107(a) of the ADA authorize the EEOC to issue recordkeeping and reporting regulations that are deemed reasonable, necessary or appropriate. EEOC has promulgated recordkeeping regulations under those authorities that are contained in 29 CFR part 1602 et seq. Those regulations do not require the creation of any particular records but generally require employers to preserve any personnel and employment records they make or keep for a period of one year. The EEOC seeks extension of these regulations without change.

Overview of This Information Collection

Collection title: Recordkeeping under Title VII and the ADA.

OMB number: 3046-0040.

Description of affected public:

Employers with 15 or more employees are subject to Title VII and the ADA.

Number of responses: 899,580.

Reporting hours: One.

Number of forms: None.

Federal cost: None.

Abstract: Section 709(c) of Title VII, 42 U.S.C. 2000e-8(c) and section 107(a) of the ADA, 42 U.S.C. 12117(a) require the Commission to establish regulations pursuant to which employers subject to those Acts shall make and preserve certain records to assist the EEOC in assuring compliance with the Acts' nondiscrimination in employment requirements. This is a recordkeeping requirement. Any of the records maintained which are subsequently disclosed to the EEOC during an investigation are protected from public disclosure by the confidentiality provisions of section 706(b) and 709(e) of Title VII which are also incorporated by reference into the ADA at section 107(a).

Burden statement: The estimated number of respondents is approximately 899,580 employers. The recordkeeping requirement does not require reports or the creation of new documents, but merely requires retention of documents that the employer has made or kept. Thus, the burden imposed by these regulations is minimal. The burden is estimated to be less than one hour per employer.

Pursuant to the Paperwork Reduction Act of 1995, and OMB regulation 5 CFR 1320.8(d)(1), the Commission solicits public comment to enable it to:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the Commission's functions, including

whether the information will have practical utility;

(2) Evaluate the accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

For the Commission.

Dated: February 16, 2010.

Stuart J. Ishimaru,

Acting Chairman.
