

We valued labor based on a regression-based wage rate in accordance with 19 CFR 351.408(c)(3). This information is available on the Department's Web site at <http://www.ia.ita.doc.gov/wages/01wages/01wages.html>.

To value factory overhead, selling, general, and administrative expenses, and profit, we used rates based on data obtained from the Reserve Bank of India Bulletin.

Preliminary Results of Review

We preliminarily determine that the following margin exists for the period July 1, 2002, through June 30, 2003:

Manufacturer/Exporter

	Margin (percent)
Tianjin Chemicals Import and Export Corporation and produced by Hengshui Dongfeng Chemical Co., Ltd	36.74

The Department will disclose to parties the calculations performed in connection with these preliminary results within ten days of the date of publication of this notice. Interested parties may request a hearing within 30 days of the publication. Any hearing, if requested, will be held 44 days after the publication of this notice or the first workday thereafter. Interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than 37 days after the date of publication of this notice. Interested parties are also reminded that they have until 20 days after the date of publication of this notice to submit any surrogate-value information that they would like the Department to consider in the course of this review.

As these are preliminary results, the Department may still come to a conclusion that Tianjin has not resumed dumping. Since we have preliminarily established that sebacic acid produced by Hengshui and exported by Tianjin is being sold at less than NV, the antidumping duty order is hereby provisionally reinstated, and we will instruct CBP to suspend liquidation of all entries of subject merchandise exported by Tianjin and manufactured by Hengshui entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Furthermore, a cash-deposit requirement of 36.74 percent will be in effect for all shipments of the subject merchandise produced by Hengshui and

exported by Tianjin that are entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice. This requirement shall remain in effect until publication of the final results of the next administrative review unless the Department finds that Tianjin has not resumed dumping in the final results of this changed circumstance review.

The Department will complete this review within 270 days of the date on which it initiated the changed circumstances review (*i.e.*, March 28, 2005). In accordance with 19 CFR 351.216(e), the final results of the changed circumstance review will set forth the factual and legal conclusions upon which our results are based and a description of any action proposed based on those results. This notice is in accordance with section 751(b)(1) of the Act and 19 CFR 351.216 and 351.222.

Dated: November 15, 2004.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the 2002-2003 administrative review of the antidumping duty order on stainless steel sheet and strip in coils from Mexico. This review covers one manufacturer/exporter of the subject merchandise to the United States, ThyssenKrupp Mexinox S.A. de C.V. (Mexinox), and the period July 1, 2002, through June 30, 2003.

SUPPLEMENTARY INFORMATION: On August 6, 2004, we published the preliminary results of the administrative review of stainless steel sheet and strip in coils from Mexico for the period July 1, 2002, through June 30, 2003. *See Stainless Steel Sheet and Strip in Coils From Mexico; Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 47905 (August 6, 2004). Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), currently the final results of this administrative review are due on December 4, 2004. It is not practicable to complete this review within the normal statutory time limit due to a number of significant case issues, including the calculation of general and administrative expenses, interest expenses and the value of direct materials used in the cost of production and constructed value figures. Furthermore, additional time is necessary for the Department to analyze certain adjustments made to normal value and to evaluate the commercial transactions between Mexinox and affiliated parties. Thus, it is not practicable to complete this review within the normal statutory time limit. Therefore, the Department is extending the time limit for completion of the final results until January 14, 2005, in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: November 19, 2004.
