

Seventeenth Revised Sheet No. 10, to become effective April 1, 2005.

KOT states that the proposed change is made pursuant to the provisions of section 24, transportation retainage adjustment of the general terms and conditions (GT&C) of KOT's Tariff, which provides that KOT may adjust its fuel retainage as operating conditions warrant. KOT states that the proposed change will lower KOT's retainage to 0.51%, from its current rate of 1.00%.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). ### Federal Energy Regulatory Commission

[Docket No. CP05-88-000]

#### Northern Border Pipeline Company; Notice of Application

March 16, 2005.

Take notice that on March 10, 2005, Northern Border Pipeline Company, P.O. Box 542500, Omaha, Nebraska 68154-8500, filed in Docket No. CP05-88-000, an application pursuant to section 7(c) of the Natural Gas Act (NGA), and part 157 of the Commission's regulations requesting a certificate of public convenience and necessity authorizing the construction, modification and installation of compression facilities resulting in an additional 130,000 Mcf/d of capacity on a segment of Northern Border's pipeline system from Harper, Iowa, to North Hayden, Indiana, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov) or toll free at (866) 208-3676, or TTY, contact (202) 502-8659.

Specifically, Northern Border is proposing to: (1) Construct a new compressor station consisting of one 16,000 HP electric drive compressor unit at its existing Compressor Station 16 located in Johnson County, Iowa; (2) make modifications to existing Compressor Station 17 located in Scott County, Iowa, and Compressor Station 18 located in Bureau County, Illinois; and (3) install certain related section 2.55(a) (18 CFR) auxiliary facilities. Northern Border estimates the cost to construct, modify and install such facilities to be \$20.7 million.

Any questions regarding this application should be directed to Raymond D. Neppel, Vice President, Regulatory Affairs and Market Services, Northern Plains Natural Gas Company, LLC, P.O. Box 542500, Omaha, Nebraska, 68154-8500, or call (402) 492-7428.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date, file with the Federal Energy Regulatory

Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Persons who wish to comment only on the environmental review of this project, or in support of or in opposition to this project, should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the applicant. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site ([www.ferc.gov](http://www.ferc.gov)) under the "e-Filing" link.

*Comment Date:* April 6, 2005.
