Safety Zones; Eighth Coast Guard District Annual and Recurring Safety Zones Update

AGENCY: Coast Guard, DHS.

ACTION: Interim final rule; request for comments.

SUMMARY: The Coast Guard is amending and updating its current list of recurring safety zone regulations that take place in the Eighth Coast Guard District area of responsibility (AOR). Through this interim rule the current list of recurring safety zones is updated with revisions, additional events, and removal of events that no longer take place in the Eighth Coast Guard District AOR. When these safety zones are enforced, vessel traffic is restricted from specified areas. Additionally, this one rulemaking project reduces administrative costs involved in producing a separate rule for each individual recurring safety zone and serves to provide notice of the known recurring safety zones throughout the year.

DATES: This rule is effective April 22, 2014. Comments and related material must be received by the Coast Guard on or before May 22, 2014.
