

In the Notice issued on June 19, 2014, four price formation topics were outlined: (1) Use of uplift payments; (2) offer price mitigation and offer price caps; (3) scarcity and shortage pricing; and (4) operator actions that affect prices. This exploratory session will assist staff in examining the relationship among these four topics, whether other price formation topics, not included in the June 19, 2014 Notice, should be explored, and the appropriate next steps in this staff exploration of price formation.
