Clean Water Act Section 303(d): Availability of Proposed Determinations That Total Maximum Daily Loads (TMDLs) Are Not Needed

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of availability.

SUMMARY: This notice announces the availability for comment of EPA's determination that TMDLs are not needed for 26 waterbody/pollutant combinations in the Mermentau and Vermilion/Teche River Basins because new data and information show that water quality standards are being met. This proposed action would result in the removal of 26 waterbody/pollutant combinations from the Louisiana 303(d) list. EPA prepared the proposed determinations in response to a court order dated October 1, 1999, in the lawsuit *Sierra Club, et al. v. Clifford et al.*, No. 96-0527, (E.D. La.). Under this court order, EPA is required to prepare TMDLs when needed for waters on the Louisiana 1998 section 303(d) list by December 31, 2007. The court order also requires EPA to add or delete waters to the schedule as new data confirms that waters are or are not meeting water quality standards.

DATES: Comments on the 26 proposed determinations that TMDLs are not needed must be submitted in writing to EPA on or before April 18, 2001.

ADDRESSES: Comments on the proposed determinations should be sent to Ellen Caldwell, Environmental Protection Specialist, Water Quality Protection Division, U.S. Environmental Protection Agency Region 6, 1445 Ross Ave., Dallas, TX 75202-2733. For further information, contact Ellen Caldwell at (214) 665-7513. The administrative record file for the proposed determinations is available for public inspection at this address as well. Documents from the administrative record file may be viewed at www.epa.gov/region6/water/tmdl.htm, or obtained by calling or writing Ms. Caldwell at the above address. Please contact Ms. Caldwell to schedule an inspection.

FOR FURTHER INFORMATION CONTACT: Ellen Caldwell at (214) 665-7513.

SUPPLEMENTARY INFORMATION: In 1996, two Louisiana environmental groups, the Sierra Club and Louisiana Environmental Action Network (plaintiffs), filed a lawsuit in Federal Court against the EPA, styled *Sierra*
