

smaller charter companies that operate in the Denver area.

According to Applicants, in the casino shuttle market, the Seller and Ramblin are the current operators (regulated by the Colorado Public Utility Commission), and the Buyer merely would replace the Seller in this market. Applicants argue that services provided under contract involve a competitive bidding process where the competing local and regional carriers mentioned above could bid for shuttle services, along with any interested nationwide operators and that thus, the market would remain competitive if the proposed transaction were approved. Applicants state that services provided on a "spot basis" are the norm for much of Seller's charter business involving leisure travel and that these charter operations face competition from nationwide operators in addition to the local and regional carriers mentioned above (Busco, Ramblin, CCL, and Premier). They also note that motor passenger carriers face intense market competition from other transportation modes, such as private automobiles, airlines, and trains.

On the basis of the application, the Board finds that the proposed acquisition is consistent with the public interest and should be tentatively approved and authorized. If any opposing comments are timely filed, these findings will be deemed vacated, and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR 1182.6(c). If no opposing comments are filed by the expiration of the comment period, this notice will take effect automatically and will be the final Board action.

Board decisions and notices are available on our Web site at "WWW.STB.DOT.GOV".

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The proposed transaction is approved and authorized, subject to the filing of opposing comments.

2. If opposing comments are timely filed, the findings made in this notice will be deemed vacated.

3. This notice will be effective June 9, 2015, unless opposing comments are filed by June 8, 2015.

4. A copy of this decision will be served on: (1) U.S. Department of Transportation, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue SE., Washington, DC 20590; (2) the U.S. Department of Justice, Antitrust

Division, 10th Street & Pennsylvania Avenue NW., Washington, DC 20530; and (3) the U.S. Department of Transportation, Office of the General Counsel, 1200 New Jersey Avenue SE., Washington, DC 20590.

Decided: April 16, 2015.

By the Board, Acting Chairman Miller and Vice Chairman Begeman.

Clearance Clerk.
