[Docket No. RP03-262-005]

Natural Gas Pipeline Company of America; Notice of Compliance Filing

August 27, 2004.

Take notice that on August 24, 2004, Natural Gas Pipeline Company of America (Natural) filed as part of its FERC Gas Tariff, Sixth Revised Volume No. 1, a Substitute Revised Sheet No. 226, with an effective date of October 1, 2004.

Natural states that the filing is being made to comply with the Commission's Order issued on August 9, 2004, in the above-referenced proceeding. Natural further states that the change required by the Order relates to a prior compliance filing made by Natural, involving reservation charge credits.

Natural states that copies of its filing were served on parties on the official service list in the above-captioned proceeding.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public

Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). Northern Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

August 27, 2004.

Take notice that on August 25, 2004, Northern Natural Gas Company (Northern) tendered for filing to become part of its FERC Gas Tariff, Fifth Revised Volume No. 1 the following tariff sheets to be effective November 1, 2004:

First Revised Sheet No. 263F
First Revised Sheet No. 263G
Eighth Revised Sheet No. 263H
Seventh Revised Sheet No. 263H.1
First Revised Sheet No. 263I

Northern states that Tariff Sheet Nos. 263H and 263H.1 reflect the sourcers' flow obligation as a result of the Appendix B customers' election to source or buyout of their flow obligation based on section 29(C)2 of Northern's tariff. In addition, Northern states that it is updating the list of company names on the referenced tariff sheets.

Northern states that copies of the filing were served upon Northern's customers and interested State Commissions.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention

or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Interconnection for Wind Energy and Other Alternative Technologies [Docket No. PL04-15-000]; Standardization of Small Generator Interconnection Agreements and Procedures [Docket No. RM02-12-000]; Standardizing Generator Interconnection Agreements and Procedures; [Docket Nos. RM02-1-001, RM02-1-005]; Notice of Technical Conference

August 27, 2004.

Take notice that the Federal Energy Regulatory Commission will host a technical conference on Friday, September 24, 2004 to discuss issues raised by a petition for rulemaking submitted by the American Wind Energy Association (AWEA) related to the adoption of certain requirements for the interconnection of large wind generators. The conference will be held at the Commission’s Washington, DC headquarters, 888 First St., NE., 20426. The event is scheduled to begin at 10:30 a.m. and end at approximately 4:30 p.m. (e.s.t.) in the Commission Meeting Room, Room 2-C.

The goal of the technical conference is to discuss the technical requirements for the interconnection of large and small wind generators and other alternative technologies, and the need for creating specific requirements for their interconnection to the grid. These issues include the use of non-synchronous generator and other alternative technologies that respond differently to grid disturbances and may have different effects on the grid than large, synchronous generators. AWEA’s request for technical consideration is
