

In addition, ICE Clear Europe believes the amendments satisfy Rule 17Ad-22(e)(13),<sup>15</sup> which provides that “[e]ach covered clearing agency shall establish, implement, maintain and enforce written policies and procedures reasonable designed to, as applicable [ . . . ] ensure that the covered clearing agency has the authority and operational capacity to take timely action to contain losses and liquidity demands and continue to meet its obligations by, at a minimum, requiring the covered clearing agency’s participants and, when practicable, other stakeholders to participate in the testing and review of its default procedures, including any close-out procedures, at least annually.” As discussed above, the proposed amendments would enhance ICE Clear Europe’s overall default management processes, including those relating to hedging and liquidation of the defaulter’s positions. In addition, the amendments would enhance default testing practices, including to provide explicitly for annual compulsory participation by Clearing Members and further describe the purposes of such testing. Other amendments would ensure the Policy remains consistent with the F&O Auction Terms. Overall, the amendments will thus ensure that the Clearing House has clear processes in place to manage Clearing Member defaults and be able to continue to meet the Clearing House’s obligations in default scenarios. The amendments overall strengthen ICE Clear Europe’s ability to contain losses in a manner consistent with the requirements of Rule 17Ad-22(e)(13).<sup>16</sup>

*(B) Clearing Agency’s Statement on Burden on Competition*

ICE Clear Europe does not believe the proposed amendments would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The amendments are being adopted to update and clarify the Clearing House’s F&O Default Management Policy, which relates to the Clearing House’s internal processes for addressing risks posed by F&O Clearing Member defaults. The amendments do not change the obligations of Clearing Members under the Rules or Procedures. Accordingly, ICE Clear Europe does not believe the amendments would affect the costs of clearing, the ability of market participants to access clearing, or the market for clearing services generally. Although the Policy does

state certain obligations of Clearing Members to participate in annual default testing, ICE Clear Europe believes this is appropriate in light of regulatory requirements and the importance of such testing to the default management process. Therefore, ICE Clear Europe does not believe the proposed rule change imposes any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

*(C) Clearing Agency’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

Written comments relating to the proposed amendments have not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any written comments received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>17</sup> and paragraph (f) of Rule 19b-4<sup>18</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

(“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Rule 239 (17 CFR 230.239) provides exemptions under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) and the Trust Indenture Act of 1939 (U.S.C. 77aaa *et seq.*) for security-based swaps issued by certain clearing agencies satisfying certain conditions. The purpose of the information required by Rule 239 is to make certain information about security-based swaps that may be cleared by the registered or the exempt clearing agencies available to eligible contract participants and other market participants. We estimate that each registered or exempt clearing agency issuing security-based swaps in its function as a central counterparty will spend approximately 2 hours each time it provides or update the information in its agreements relating to security-based swaps or on its website. We estimate that each registered or exempt clearing agency will provide or update the information approximately 20 times per year. In addition, we estimate that 75% of the 2 hours per response (1.5 hours) is prepared internally by the clearing agency for a total annual reporting burden of 180 hours (1.5 hours per response × 20 times × 6 respondents).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–93902; File No. SR–NYSEAMER–2021–47]

### Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change To Amend the NYSE American Equities Price List With Respect to a Regulatory Fee Related to the Central Registration Depository

January 5, 2022.

Pursuant to Section 19(b)(1) <sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”) <sup>2</sup> and Rule 19b–4 thereunder, <sup>3</sup> notice is hereby given that, on December 22, 2021, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE American Equities Price List (the “Price List”) with respect to a regulatory fee related to the Central Registration Depository (“CRD system”), which is collected by the Financial Industry Regulatory Authority, Inc. (“FINRA”). The Exchange proposes to implement the fee change on January 2, 2022. The proposed change is available on the Exchange’s website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend the Price List with respect to a regulatory fee collected by FINRA for use of the CRD system.<sup>4</sup> The Exchange proposes to implement the fee change on January 2, 2022.

FINRA collects and retains certain regulatory fees via the CRD system for the registration of associated persons of ATP Holders that are not FINRA members (“Non-FINRA ATP Holders”).<sup>5</sup> The CRD system fees are user-based, and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA ATP Holder.

FINRA recently amended one of the fees assessed for use of the CRD system.<sup>6</sup> Accordingly, the Exchange proposes to amend the Price List to mirror the fee assessed by FINRA, which will be implemented concurrently with the amended FINRA fee on January 2, 2022.<sup>7</sup> Specifically, the Exchange proposes to amend the Price List to modify the fee charged to Non-FINRA ATP Holders for each initial Form U4 filed for the registration of a representative or principal from \$100 to \$125.<sup>8</sup>

<sup>4</sup> The CRD system is the central licensing and registration system for the U.S. securities industry. The CRD system enables individuals and firms seeking registration with multiple states and self-regulatory organizations to do so by submitting a single form, fingerprint card, and a combined payment of fees to FINRA. Through the CRD system, FINRA maintains the qualification, employment, and disciplinary histories of registered associated persons of broker-dealers.

<sup>5</sup> The Exchange originally adopted fees for use of the CRD system in 2003 and amended those fees in 2013. See Securities Exchange Act Release Nos. 48066 (June 19, 2003), 68 FR 38409 (June 27, 2003) (SR-Amex-2003–49); 68630 (January 11, 2013), 78 FR 6152 (January 29, 2013) (SR–NYSEMKT–2013–01). While the Exchange lists these fees in its Price List, it does not collect or retain these fees.

<sup>6</sup> See Securities Exchange Act Release No. 90176 (October 14, 2020), 85 FR 66592 (October 20, 2020) (SR–FINRA–2020–032).

<sup>7</sup> The Exchange notes that it has only adopted the CRD system fees charged by FINRA to Non-FINRA ATP Holders when such fees are applicable. In this regard, certain FINRA CRD system fees and requirements are specific to FINRA members, but do not apply to NYSE American-only ATP Holders. Non-FINRA ATP Holders have been charged CRD system fees since 2003. See note 5, *supra*. ATP Holders that are also FINRA members are charged CRD system fees according to Section 4 of Schedule A to the FINRA By-Laws.

<sup>8</sup> See Section 4(b)(1) of Schedule A to the FINRA By-Laws effective on January 2, 2022. This fee is assessed when a Non-FINRA ATP Holder submits an initial Uniform Application for Securities Industry Regulation or Transfer (known as a “Form U4”) filed by a member in the CRD system to register an individual.
