The EAC intends to submit this proposed information collection (National Mail Voter Registration Form) to the Director of the Office of Management and Budget for approval. Section 9(a) of the National Voter Registration Act of 1993 (“NVRA”) and Section 802 of the Help America Vote Act of 2002 (“HAVA”) requires the responsible agency to maintain a national mail voter registration form for U.S. citizens that want to register to vote, to update registration information due to a change of name, make a change of address or to register with a political party by returning the form to their state election office.

DATES: Comments must be received no later than 5 p.m. Eastern Standard Time on December 31, 2021.

ADDRESSES: Comments on the proposed information collection should be submitted electronically via <https://www.regulations.gov> (docket ID: EAC–2021–0003) or by email at research@eac.gov.

[eac.gov](mailto:research@eac.gov). Written comments on the proposed information collection can also be sent to the U.S. Election Assistance Commission, 633 3rd Street NW, Suite 200, Washington, DC 20001, Attn: NVRA.

Needs and Uses

Persons wishing to register to vote may use the National Mail Voter Registration form (“Federal form” or “form”) to apply for voter registration. After completing the form, an applicant

submits her/his form to their respective state election office for processing. States covered by the NVRA process the information from the form to register an applicant to vote. Neither EAC nor any other Federal agency processes or collects any information from the Federal form that a registration applicant submits to a state. Rather, EAC prescribes the Federal form, and states collect and record the information applicants submit. The Federal form is composed of the registration application, instructions for completing the application (General Instructions and Application Instructions), and state-specific instructions that identify each state's particular requirements. A copy of the current form in English and 17 additional translated languages is available on EAC's website, at <https://www.eac.gov/voters/national-mail-voter-registration-form>.

Affected Public (Respondents): U.S. citizens eligible to vote in jurisdictions that accept and use the National Mail Voter Registration form.
