

PART 3—ADJUDICATION**Subpart A—Pension, Compensation, and Dependency and Indemnity Compensation**

1. The authority citation for part 3, subpart A continues to read as follows:

Authority: 38 U.S.C. 501(a), unless otherwise noted.

2. In § 3.304, paragraph (f) is revised to read as follows:

§ 3.304 Direct service connection; wartime and peacetime.

* * * * *

(f) *Post-traumatic stress disorder.*

Service connection for post-traumatic stress disorder requires medical evidence diagnosing the condition in accordance with § 4.125(a) of this chapter; a link, established by medical evidence, between current symptoms and an in-service stressor; and credible supporting evidence that the claimed in-service stressor occurred. Although service connection may be established based on other in-service stressors, the following provisions apply for specified in-service stressors as set forth below:

(1) If the evidence establishes that the veteran engaged in combat with the enemy and the claimed stressor is related to that combat, in the absence of clear and convincing evidence to the contrary, and provided that the claimed stressor is consistent with the circumstances, conditions, or hardships of the veteran's service, the veteran's lay testimony alone may establish the occurrence of the claimed in-service stressor.

(2) If the evidence establishes that the veteran was a prisoner-of-war under the provisions of § 3.1(y) of this part and the claimed stressor is related to that prisoner-of-war experience, in the absence of clear and convincing evidence to the contrary, and provided that the claimed stressor is consistent with the circumstances, conditions, or hardships of the veteran's service, the veteran's lay testimony alone may establish the occurrence of the claimed in-service stressor.

(3) If a post-traumatic stress disorder claim is based on in-service personal assault, evidence from sources other than the veteran's service records may corroborate the veteran's account of the stressor incident. Examples of such evidence include, but are not limited to: records from law enforcement authorities, rape crisis centers, mental health counseling centers, hospitals, or physicians; pregnancy tests or tests for sexually transmitted diseases; and statements from family members, roommates, fellow service members, or

clergy. Evidence of behavior changes following the claimed assault is one type of relevant evidence that may be found in these sources. Examples of behavior changes that may constitute credible evidence of the stressor include, but are not limited to: a request for a transfer to another military duty assignment; deterioration in work performance; substance abuse; episodes of depression, panic attacks, or anxiety without an identifiable cause; or unexplained economic or social behavior changes. VA will not deny a post-traumatic stress disorder claim that is based on in-service personal assault without first advising the claimant that evidence from sources other than the veteran's service records or evidence of behavior changes may constitute credible supporting evidence of the stressor and allowing him or her the opportunity to furnish this type of evidence or advise VA of potential sources of such evidence. VA may submit any evidence that it receives to an appropriate medical or mental health professional for an opinion as to whether it indicates that a personal assault occurred.

[STB Ex Parte No. 542 (Sub-No. 8)]

Regulations Governing Fees For Services Performed in Connection With Licensing and Related Services—2002 Update

AGENCY: Surface Transportation Board, DOT.

ACTION: Final rules.

SUMMARY: The Board adopts its 2002 User Fee Update and revises its fee schedule at this time to recover the costs

associated with the January 2002 Government salary increases.

EFFECTIVE DATE: These rules are effective April 8, 2002.

FOR FURTHER INFORMATION CONTACT: David T. Groves, (202) 565-1551, or Anne Quinlan, (202) 565-1727. [TDD for the hearing impaired: 1-800-877-8339.]

SUPPLEMENTARY INFORMATION: The Board's regulations in 49 CFR 1002.3 require the Board's user fee schedule to be updated annually. The Board's regulation at 49 CFR 1002.3(a) provides that the entire fee schedule or selected fees can be modified more than once a year, if necessary. The Board's fees are revised based on the cost study formula set forth at 49 CFR 1002.3(d). Also, in some previous years, selected fees were modified to reflect new cost study data or changes in agency fee policy.

Because Board employees received a salary increase of 4.77% in January 2002, we are updating our user fees to recover the increased personnel costs. With certain exceptions, all fees will be updated based on our cost formula contained in 49 CFR 1002.3(d).

The fee increases involved here result only from the mechanical application of the update formula in 49 CFR 1002.3(d), which was adopted through notice and comment procedures in *Regulations Governing Fees for Services-1987 Update*, 4 I.C.C.2d 137 (1987). In addition, no new fees are being proposed in this proceeding. Therefore, we find that notice and comment are

unnecessary for this proceeding. See *Regulations Governing Fees For Services-1990 Update*, 7 I.C.C.2d 3 (1990); *Regulations Governing Fees For Services-1991 Update*, 8 I.C.C.2d 13 (1991); and *Regulations Governing Fees For Services-1993 Update*, 9 I.C.C.2d 855 (1993).

We conclude that the fee changes adopted here will not have a significant economic impact on a substantial number of small entities because the Board's regulations provide for waiver of filing fees for those entities that can make the required showing of financial hardship.

Additional information is contained in the Board's decision. To obtain a copy of the full decision, write, call, or pick up in person from the Board's contractor, Da-To-Da Legal, Suite 405, 1925 K Street, NW., Washington, DC 20006. Telephone: (202) 293-7776.
