Purpose of the Board

The purpose of the Board is to review annually the programs of the National Fire Academy (NFA) and advise the Administrator of the Federal Emergency Management Agency (FEMA), through the United States Fire Administrator, on the operation of the NFA and any improvements therein that the Board deems appropriate. In carrying out its responsibilities, the Board examines NFA programs to determine whether these programs further the basic missions that are approved by the Administrator of FEMA, examines the physical plant of the NFA to determine the adequacy of the NFA's facilities, and examines the funding levels for NFA programs. The Board submits a written annual report through the United States Fire Administrator to the Administrator of FEMA. The report provides detailed comments and recommendations regarding the operation of the NFA.

Agenda

On the first day of the meeting, there will be five sessions, with deliberations

and voting at the end of each session as necessary. The Board will also select a Chairperson and Vice Chairperson for Fiscal Year 2016.

1. The Board will receive updates on U.S. Fire Administration data, research, and response support initiatives.

2. The Board will then deliberate and vote on recommendations on NFA program activities, including:

- Report of the Executive Fire Officer Program (EFOP) Symposium held September 10-12, 2015; an annual event for alumni which recognizes outstanding applied research completed by present EFOP participants, recognizes recent EFOP graduates, provides high-quality presentations offered by private and public sector representatives, facilitates networking between EFOP graduates, promotes further dialog between EFOP graduates and U.S. Fire Administrator and National Fire Academy faculty and staff.

- Curriculum and Instruction program activities;

- Status of Staff Vacancies and Challenges;

- Resident class enrollment increase.

- Report of the Annual National Professional Development Symposium and Support Initiatives, held June 10-12, 2015, which brought national training and education audiences together for their annual conference and support initiatives.
