

state and local levels; and (4) advise the Secretary regarding the enhancement of objectives, programs and educational and promotional materials sponsored, overseen, and/or disseminated by the Council.

This meeting of the Council is being held to (1) introduce newly appointed members; (2) provide Council members with the status of ongoing Council programs and activities; and (3) plan for future projects and programs.

The 15-day notice exception found at 41 CFR 101-61015(b)(2) is invoked due to the President signing this Executive Order on June 6, limiting the amount of time available for public notice of the Council meeting, and the necessity of a meeting within 15 days of that date.

Dated: June 5, 2002.

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### National Committee on Vital and Health Statistics: Meeting

Pursuant to the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) announces the following advisory committee meeting.

*Name:* National Committee on Vital and Health Statistics (NCVHS).

*Time and Date:* June 26, 2002—9 a.m.—6 p.m.; June 27, 2002—10 a.m.—2 p.m.

*Place:* The Wyndham City Center Hotel, 1143 New Hampshire Avenue, NW., Washington, DC 20037.

*Status:* Open.

*Purpose:* At this meeting the Committee will hear presentations and hold discussions on several health data policy topics. On the first day the full Committee will be briefed by HHS staff on a number of topics including an update on activities of the HHS Data Council; Departmental responses to recent reports and recommendations from the Committee; and the status of implementation of the administrative simplification provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) including the status of privacy and data standards regulations. The Committee will hear a presentation on the Consolidated Health Informatics E-government Initiative and from a panel on recent activities in the healthcare quality area. The Committee will also vote on approval for its 5th annual report to Congress on the implementation of HIPAA administrative simplification provisions, the adoption of a plan for Health Statistics in the 21st Century, and draft recommendations for code sets. There will be Subcommittee breakout sessions late in the afternoon of the first day and prior to the full Committee meeting on the second day.

Agendas for these breakout sessions may be found on the NCVHS Web site (URL below).

On the second day the full Committee will hear from the General Accounting Office on a study on linking records and privacy. Later in the day members will hear reports from the Subcommittees and Workgroups on their activities. Finally, the agendas for future NCVHS meetings will be discussed.

#### *For Further Information Contact:*

Substantive program information as well as summaries of meetings and a roster of committee members may be obtained from Marjorie S. Greenberg, Executive Secretary, NCVHS, National Center for Health Statistics, Centers for Disease Control and Prevention, Room 1100, Presidential Building, 6525 Belcrest Road, Hyattsville, Maryland 20782, telephone (301) 458-4245. Information also is available on the NCVHS home page of the HHS Web site <http://www.ncvhs.hhs.gov/>, where further information including an agenda will be posted when available.

Dated: May 4, 2002.

### Administration on Aging

[Program Announcement No. AoA-02-09]

#### Fiscal Year 2002 Program Announcement; Availability of Funds and Notice Regarding Applications

**AGENCY:** Administration on Aging, HHS.

**ACTION:** Announcement of availability of funds and request for applications.

**SUMMARY:** The Administration on Aging announces that under the Performance Outcome Measures Project it will hold two competitions to fund grant awards for cooperative agreements to support:

(1) State-wide surveys of program performance with State Agencies on Aging, and (2) the continued development of performance outcome measures survey instruments. Under the first competition, for State-wide surveys, AoA expects to enter into cooperative agreements at a federal share of approximately \$50,000 for one year with up to fifteen (15) State agencies on aging. Under the second competition, for the development of performance outcome measures survey instruments, AoA expects to enter into cooperative agreements at a federal share of approximately \$30,000 for one year with up to ten (10) State Agencies on Aging.

*Purpose of grant awards:* It is the purpose of the first part of this

competition to provide states with the opportunity to conduct performance outcome measures surveys at the state level. AoA is conducting national performance outcome surveys which the States can use as performance benchmarks for comparison with the State-wide surveys they elect to conduct. Under the second part of this competition for the performance outcome measures project states must work collaboratively to continue to refine the current survey measures and develop new measures in additional areas.

*Eligibility for grant awards and other requirements:* For both competitions under this Announcement eligibility is limited to State Agencies on Aging. Grantees are required to provide a 25% non-federal match.

**DATES:** The deadline date for the submission of applications is July 29, 2002.

**ADDRESSES:** Application kits are available by writing to the U.S. Department of Health and Human Services, Administration on Aging, Office of Evaluation, 330 Independence Ave., SW, Washington, DC 20201, Attn: David Bunoski, or by calling 202/260-0669. Applications must be mailed or hand-delivered to the Office of Grants Management at the same address. Instructions for electronic mailing of grant applications are available at <http://www.aoa.gov/egrants>.

Dated: May 24, 2002.

**Josefina G. Carbonell,**

*Assistant Secretary for Aging.*

### Centers for Disease Control and Prevention

[Program Announcement 02165]

#### Population-based Research in Attention-Deficit Hyperactivity Disorder; Notice of Availability of Funds

##### A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2002 funds for cooperative agreements for population-based research projects on Attention-Deficit Hyperactivity Disorder (ADHD) that describe prevalence, treated prevalence, select comorbid conditions, secondary conditions, and health risk behaviors.
