

### Authority for Conducting the Matching Program

This matching agreement between IRS and SSA is executed pursuant to section 6103(l)(20) of the Internal Revenue Code (IRC). Section 6103(l)(20) authorizes IRS to disclose specified return information to SSA with respect to taxpayers whose Part B and/or prescription drug coverage insurance premium(s) may (according to IRS records) be subject to premium subsidy adjustment pursuant to section 1839(i) or premium increase pursuant to section 1860D–13(a)(7) of the Act.<sup>1</sup> The purpose of such disclosure is for establishing the amount of any such adjustment or increase or for resolving taxpayer appeals with respect to such adjustment or increase.

### Purpose(s)

This computer matching agreement (agreement) sets forth the terms, conditions, and safeguards under which the IRS will disclose to SSA certain tax return information for the purpose of establishing the correct amount of Medicare Part B premium subsidy adjustments and Medicare Part D premium increases provided under the Act.

### Categories of Individuals

SSA will disclose to IRS the name and Social Security number (SSN) of beneficiaries who are either enrolled in, or have become entitled to, Medicare Part B and Part D. IRS will extract and transmit MAGI data for such beneficiaries pertaining to the tax year beginning in the second calendar year preceding the year for which the premium adjustment is being calculated.

### Categories of Records

When individuals enroll for the Medicare Part B or Medicare prescription drug coverage, or both, they are entitled to both under 1839(i) and 1860D–13(a)(7) section of the Act. On a weekly basis, SSA will provide IRS with this information with respect to Medicare Part B and Part D beneficiaries.

When there is a match of enrollee identifier, and the MAGI data shows income above the applicable threshold established pursuant to section 1839(i) of the Act, IRS will disclose to SSA

information about the Part B and Part D enrollees who:

- (a.) are enrolled in Medicare under the rules in section 1837 of the Act (42 U.S.C. 1395p) and have not disenrolled from Medicare Part B;
- (b.) have filed applications specifically for Medicare Part B;
- (c.) have been determined to have retroactive Medicare Part B entitlement; or
- (d.) have been provided to SSA as enrolled in Medicare Part D by the Centers for Medicare and Medicaid Services.

Hereinafter, the beneficiaries described above will be referred to as “enrollees.”

As part of the weekly transmission, SSA will include the name, SSN, premium year, and income threshold amounts for new enrollees. Once each year, on a date in October agreed to at the time between IRS and SSA, SSA will provide the name, SSN, premium year, and income threshold amounts for all enrollees. SSA will use information obtained in this annual request to determine Part B and Part D adjustments for the coming premium year. At the time of the agreed-upon annual exchange, SSA will include the name, SSN, premium year, income threshold amounts, and requested tax year with respect to all enrollees who asked SSA to use a more recent tax year or for enrollees for whom IRS provided three-year-old return information on the initial request. SSA will use the information obtained to correct Part B and Part D adjustment amounts for the requested premium year.

### Privacy Act of 1974; System of Records

**AGENCY:** Department of State.

**ACTION:** Rescindment of a system of records notice.

**SUMMARY:** Information Access Programs Records, State-35, which is being rescinded, captures information that helps the Department in the administration of its statutory responsibility for processing requests for access; amendments; appeals; special projects for Congress, the Government Accountability Office, and the Department of Justice in support of court orders and subpoenas; discovery, litigation support, and litigation pursuant to the Freedom of Information Act, the Privacy Act of 1974, Executive Order 13526 or a successor order on national security information, and Touhy regulations; and stores them in a secure repository that allows for search, retrieval, and view when necessary.

Additionally, the Department of State, by separate **Federal Register** notice, will also be rescinding the Final Rule associated with State-35.

**DATES:** The Department of State decommissioned the system maintaining Information Access Programs Records, State-35 on December 31, 2022.

If by mail, please write to: Timothy Kootz, Senior Agency Official for Privacy; U.S. Department of State; Shared Knowledge Services (A/SKS); Room 4534, 2201 C St. NW, Washington, DC 20520. If by email, please address the email to the Senior Agency Official for Privacy, Timothy Kootz, at [Privacy@state.gov](mailto:Privacy@state.gov). Please write “Information Access Programs Records, State-35” on the envelope or the subject line of your email.

**SUPPLEMENTARY INFORMATION:** Information Access Programs Records, State-35 must be rescinded because the characteristics of the system as it exists and is used in practice do not render the Information Access Programs Records system a system of records as that term

<sup>1</sup> Sections 1839(i) and 1860D–13(a)(7) of the Act (42 U.S.C. 1395r(i) and 1395w–113(a)(7)) require the Commissioner of SSA to determine the amount of a beneficiary’s premium subsidy adjustment, or premium increase, if the modified adjusted gross income (MAGI) is above the applicable threshold as established in section 1839(i) of the Act (42 U.S.C. 1395r(i)).

is defined in 5 U.S.C. 552a(a)(5). The request letters and Department responses, copies of responsive records (if applicable) and any other correspondence, memoranda, interrogatories, and declarations related to the processing of information access requests from the initial receipt stage through to completion, amendment, appeal, and litigation are not “records” as defined by § 552a(a)(4), as they are not “about” the individuals incidentally mentioned in the files. The system in which the records are now maintained is also not a “system of records” as defined by § 552a(a)(5) because it (1) does not index files by personal identifier and (2) is not used to retrieve information by a personal identifier. Information about individuals that is incidentally collected in these records is included in other Department of State “systems of records.”

To minimize the burden on small businesses, the FAA has developed an example safety statement that can be used to satisfy the requirement.

**DATES:** Written comments should be submitted by September 4, 2025.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain).
