

*I. Background:* The Migrant and Seasonal Agricultural Worker Protection Act (MSPA) safeguards migrant and seasonal agricultural workers in their interactions with Farm Labor Contractors, Agricultural Employers and Agricultural Associations, and providers of migrant farm worker housing. *See* Public Law 97–470. The MSPA requires Farm Labor Contractors, Agricultural Employers, and Agricultural Associations, who recruit, solicit, hire, employ, furnish, transport, or house agricultural workers, as well as providers of migrant housing, to meet certain minimum requirements in their dealings with migrant and seasonal agricultural workers. Various sections of the MSPA require respondents (e.g., Farm Labor Contractors, Agricultural Employers, and Agricultural Associations) to disclose terms and conditions in writing to their workers. MSPA sections 201(g) and 301(f) requires that the DOL make forms available to provide such information. The DOL prints and makes optional-use form WH–516, Worker Information—Terms and Conditions of Employment.

MSPA sections 201(d) and 301(c)—29 U.S.C. 1821(d), 1831(c) and regulations 29 CFR 500.80(a), require each Farm Labor Contractor, Agricultural Employer, and Agricultural Association that employs a migrant or seasonal worker to make, keep, and preserve records for three years for each such worker concerning the: (1) Basis on which wages are paid; (2) number of piece work units earned, if paid on a piece work basis; (3) number of hours worked; (4) total pay period earnings; (5) specific sums withheld and the purpose of each sum withheld; (6) net pay. Respondents are also required to provide an itemized written statement of this information to each migrant and seasonal agricultural worker each pay period. *See* 29 U.S.C. 1821(d), 1831(c), and 29 CFR 500.1–.80(d). Additionally, MSPA sections 201(e) and 301(d) require each Farm Labor Contractor provide copies of all the records noted above for the migrant and seasonal agricultural workers the contractor has furnished to other Farm Labor Contractors, Agricultural Employers, or Agricultural Associations who use the workers. Respondents must also make and keep certain records. Section 201(c) of the MSPA requires all Farm Labor Contractors, Agricultural Employers, and Agricultural Associations providing housing to a migrant agricultural worker to post in a conspicuous place at the site of the housing, or present to the migrant worker, a written statement of any housing occupancy terms and

conditions. *See* 29 U.S.C. 1821(c); 29 CFR 500.75. In addition, MSPA section 201(g) requires them to provide such information in English, or as necessary and reasonable, in a language common to the workers. *See* 29 U.S.C. 1821(g). The provision also requires DOL make the optional forms available to provide the required disclosures. *See* 29 U.S.C. 1821(g); 29 CFR 500.1(i)(2).

### SUPPLEMENTARY INFORMATION:

#### I. Abstract and Request for Comments

NCUA is amending the currently approved collection for 3133–0004. Two specific forms are used, NCUA Form 5300 and NCUA Profile Form 4501A, also known as the Call Report and Profile, respectively. Section 741.6 of the NCUA Rules and Regulations requires all federally insured credit unions to submit a Call Report quarterly. 12 CFR 741.6. The information enables NCUA to monitor credit unions whose share accounts are insured by the National Credit Union Share Insurance Fund (NCUSIF). NCUA uses the information collected from

these Call Reports to fulfill its mission of supervising credit unions, and the Federal Reserve Board uses the information to monitor and control the nation's money supply and the system of financial institutions. Congress and various state legislatures use this information to monitor, regulate, and control credit unions and financial institutions. The changes made to the Profile and Call Report forms for March 2014 will provide data to assist the National Credit Union Administration in assessing regulatory compliance and financial and operational risks. There is a decrease of 8,290 hours from the last submission (2013). The decrease is a result of an adjustment to the number of credit unions completing the Call Report from 6,864 to an estimated 6,550 for March 2014. This decline is from credit union mergers and liquidations.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.
