

### Funding Restrictions

Grants to provide emergency services may not exceed \$500,000 and may be limited by geographic area so that multiple grant recipients are not providing similar services to the same service areas. Grants for emergency services may not be used for pre-award costs.

Grants for the construction or repair of section 516 off-farm FLH are not limited to \$500,000, but the grant may not exceed 90 percent of the total development cost of the housing. Grants for the construction or repair of section 516 off-farm FLH is subject to the limitations and conditions listed at 7 CFR 1944.164.

All grants made in response to this Notice are subject to the restrictions contained in 7 CFR parts 3015, 3016, and 3019.

**Intergovernmental review.** The construction of new section 516 off-farm FLH is subject to the Intergovernmental Review provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials.

**Submission address.** Preapplications should be submitted to USDA—Rural Housing Service; Attention: Douglas H. MacDowell, Multi-Family Housing Processing Division—STOP 0781 (Room 1263-S), 1400 Independence Ave. SW., Washington, DC 20250-0781.

### V. Application Review Information

All applications will be evaluated by a grant committee. The grant committee will make recommendations to the Agency Administrator concerning preliminary eligibility determinations and for the selection of applications for further processing based on the selection criteria contained in this RFP and the availability of funds. The Administrator will inform applicants of the status of their application within 30 days of the closing date of the RFP.

Applications for grants to construct or repair section 516 off-farm FLH will compete against other applications to construct or repair section 516 off-farm FLH. Likewise, applications for grants to provide emergency services to low-income migrant and seasonal farmworkers will compete against other applications for grants for emergency services.

Applications for grants to provide emergency services to low-income migrant and seasonal farmworkers will be evaluated by the types of assistance to be provided. Because the types of assistance may differ depending on the geographic area to be served and the nature of the disaster or emergency

experienced, equal weight will be applied to each form of assistance to be rendered.

### Selection Criteria

(1) Applications to provide emergency services to low-income migrant and seasonal farmworkers will be scored on the following basis:

(a) Experience of applicant providing emergency services.

(b) The number of low-income migrant and seasonal farmworkers (as defined in this Notice) affected by the emergency.

(c) The number of low-income migrant and seasonal farmworkers (as defined in this Notice) to be assisted by the proposal.

(d) Economic and social benefits to low-income migrant and seasonal farmworkers (as defined in this Notice) and their families from the services to be provided.

(2) Proposals for construction or repair of section 516 off-farm FLH for domestic farm laborers will be scored on the following basis:

(a) The number of domestic farm laborers (as defined in 7 CFR part 1944, subpart D) that will be provided with decent, safe and sanitary housing as a result of the proposed use of the grant funds.

(b) The degree to which health and safety issues will be addressed through the use of the grant funds.

### SUPPLEMENTARY INFORMATION:

### Preliminary Determination

We preliminarily determine that bottle-grade polyethylene terephthalate resin ("PET resin") from Thailand is being sold, or is likely to be sold, in the United States at less than fair value, as provided in section 733 of the Tariff Act of 1930, as amended ("the Act"). The preliminary margin assigned to Thai Shinkong Industry Corporation Ltd. ("Thai Shinkong") is based on adverse facts available ("AFA"). The estimated margins of sales at less than fair value
