

not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after October 16, 2023. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and associated funerary objects and has determined that there is no cultural affiliation between the human remains and associated funerary objects and any Indian Tribe. The human remains and associated funerary objects were removed from Jefferson County, CO.

DATES: Disposition of the human remains and associated funerary objects in this notice may occur on or after October 16, 2023.

ADDRESSES: Patricia Capone, PMAE, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, telephone (617)

496-3702, email pcapone@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of PMAE. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by PMAE.

Description

In 1959 and 1960, the human remains of, at minimum, six individuals were removed by Cynthia Irwin-Williams and Henry Irwin from the Magic Mountain site (5JF223), in Jefferson County, CO, during field excavations undertaken on behalf of Harvard University. The six associated funerary objects are three shell beads, one shell fragment, one lot consisting of charcoal and dirt, and one lot consisting of faunal remain fragments.

Sometime prior to 1960, the human remains of, at minimum, three individuals were removed by amateur archeologist Jack Putnam from the Magic Mountain site (5JF223) in Jefferson County, CO. These human remains were donated by Putnam to PMAE at an unknown date. The 10 associated funerary objects are one antler fragment, two chipped stone flakes, one organic floral remain, and six faunal remain fragments.

In 1940, the human remains of, at minimum, one individual were removed by Harold A. and Betty H. Huscher of the Colorado Museum of Natural History (now Denver Museum of Nature and Science) from the Magic Mountain Site (5JF223) in Jefferson County, CO. In 1960 or later, the human remains came into the possession of PMAE. The one associated funerary object is a faunal remain fragment.

Aboriginal Land

The human remains and associated funerary objects in this notice were removed from a known geographic location. This location is the aboriginal lands of one or more Indian Tribes. The following information was used to identify the aboriginal land: a final judgment of the Indian Claims Commission and a treaty.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate

Indian Tribes, the PMAE has determined that:

- The human remains described in this notice represent the physical remains of 10 individuals of Native American ancestry.
- The 17 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- No relationship of shared group identity can be reasonably traced between the human remains and associated funerary objects and any Indian Tribe.
- The human remains and associated funerary objects described in this notice were removed from the aboriginal land of the Cheyenne and Arapaho Tribes, Oklahoma; Northern Arapaho Tribe of the Wind River Reservation, Wyoming; and the Northern Cheyenne Tribe of the Northern Cheyenne Indian Reservation, Montana.

Requests for Disposition

Written requests for disposition of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for disposition may be submitted by:

1. Any one or more of the Indian Tribes identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization, or who shows that the requestor is an aboriginal land Indian Tribe.

Disposition of the human remains and associated funerary objects described in this notice to a requestor may occur on or after October 16, 2023. If competing requests for disposition are received, the PMAE must determine the most appropriate requestor prior to disposition. Requests for joint disposition of the human remains and associated funerary objects are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

Notice of Inventory Completion: U.S. Department of the Interior, Fish and Wildlife Service, Southwest Region, Albuquerque, NM

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of the Interior, Fish and Wildlife Service (USFWS) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice. The human remains and associated funerary objects were removed from Cameron County, TX.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after October 16, 2023.

ADDRESSES: George MacDonell, U.S. Fish and Wildlife Service, Southwest Region, 500 Gold Avenue SW, Albuquerque, NM 87102, telephone (505) 312–3683, email george_macdonell@fws.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the USFWS. The National Park Service is not responsible for the determinations in this notice. Additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records held by the USFWS.

Description

Human remains representing, at minimum, one individual were removed from the Unland Site (41CF111) at Laguna Atascosa Wildlife Refuge, in Cameron County, TX. On or around August 10, 1976, human remains belonging to three individuals were uncovered during construction.

Sometime prior to November 16, 1990, the remains of these individuals were transferred to an unrecorded Indian Tribe and were reburied. However, fragmentary human remains that had been transferred to the Texas Historical Commission still remained in their custody. On March 12, 2001, a long bone fragment belonging to one of the reburied individuals and several associated funerary objects were found at the Texas Historical Commission. The five associated funerary objects are three lots consisting of organic burial matrixes; one turtle shell; and one lot consisting of clay balls.

Cultural Affiliation

The human remains and associated funerary objects in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: oral traditional.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, the USFWS has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The five objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a relationship of shared group identity that can be reasonably traced between the human remains and associated funerary objects described in this notice and the Mescalero Apache Tribe of the Mescalero Reservation, New Mexico.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in

ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that

the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after October 16, 2023. If competing requests for repatriation are received, the USFWS must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The USFWS is responsible for sending a copy of this notice to the Indian Tribe identified in this notice.
