

Department of Justice and the Department of the Treasury.

Authority for Conducting the Matching Program:

This matching program is being conducted under the authority of the Internal Revenue Code (IRC) 6103(m)(2), and the routine uses published in the agencies' Privacy Act systems notices for the systems of records used in this match. This provides for disclosure, upon written request, of a taxpayer's mailing address for use by officers, employees, or agents of a Federal agency for the purpose of locating such taxpayer to collect or compromise a Federal claim against the taxpayer in accordance with sections 3711, 3717, and 3718 of title 31 of the United States Code, statutory provisions which authorize DOJ to collect debts on behalf of the United States through litigation.

Purpose(s):

The purpose of this program is to provide DOJ with the most current addresses of taxpayers, to notify debtors of legal actions that may be taken by DOJ and the rights afforded them in the litigation, and to enforce collection of debts owed to the United States.

Categories of Individuals:

Individuals whose information is included in this matching program include: From DOJ's System of Records, individuals indebted to the United States who have [. . .] allowed their debts to become delinquent and whose delinquent debts have been referred to a DOJ litigating division, a United States Attorney Office, or to contract private counsel retained by DOJ, for settlement or enforced collection through litigation; and, from Treasury's System of Records, individuals who file Federal Individual Income Tax Returns.

Categories of Records:

Records involved in the matching program and the specific data elements that will be matched are as follows: DOJ will submit the nine-digit SSN and four-character Name Control (the first four letters of the surname) of each individual whose current address is requested. IRS will provide an address for each taxpayer whose SSN and Name Control matches the record submitted by DOJ, or a code explaining that no match was found.

System(s) of Records:

DOJ will provide records from the Debt Enforcement System, JUSTICE/DOJ-016, last published in its entirety at 77 FR 9965-9968 (February 21, 2012). This system of records contains information on persons who owe debts to the United States and whose debts have been referred to the DOJ for litigation and/or enforced collection. DOJ records will be matched against

records contained in Treasury's Privacy Act System of Records: Customer Account Data Engine (CADE) Individual Master File (IMF), Treasury/IRS 24.030, last published at 80 FR 54082 (Sep. 8, 2015). This system of records contains, among other information, the taxpayer's name, SSN, and most recent address known by IRS.

Dated: June 20, 2017.

Lee Lofthus,

Assistant Attorney General for Administration.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under The Clean Air Act

On June 22, 2017, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Ohio in the lawsuit entitled *United States v. Lima Refining Company*, Civil Action No. 3:17-cv-01320-JZ.

This Consent Decree resolves claims against Lima Refining Company with respect to violations of the Clean Air Act at Lima Refining's petroleum refinery located in Lima, Ohio. Coincidental with the entry of the Consent Decree we are also resolving claims for stipulated penalties for violations of a Consent Decree Addendum entered into with Lima Refining Company regarding this facility in 2007 involving the Facility ("2007 Addendum").

The Consent Decree requires a penalty of \$706,982. Moreover, Lima has to pay \$293,018 (\$146,509 to the State of Ohio and \$146,509 to the United States) to resolve the Stipulated Penalty claims. Therefore, Lima Refining will pay a total of \$1,000,000 in penalties. In addition, the Consent Decree requires that Lima Refining perform injunctive relief related to its leak detection and repair program, continuous emissions monitoring system, flare efficiency and minimization, and its sulfur recovery plant. Lima Refining will also will perform a lead paint abatement supplemental environmental project. In addition, as mitigation, Lima Refining will install oxygen enrichment at two of its sulfur recovery units, which will result in lower sulfur emissions.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to

United States v. Lima Refining Company, Civil Action No. 3:17-cv-01320-JZ, D.J. Ref. No. 90-5-2-1-06811/3. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
