

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public website at <https://www.nrc.gov/site-help/e-submittals.html>, by email to MSHD.Resource@nrc.gov, or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have a good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, 11555 Rockville Pike, Rockville, Maryland 20852, Attention: Rulemaking and Adjudications Staff. Participants filing adjudicatory documents in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service. A presiding officer, having granted an exemption request from using E-Filing, may require a participant or party to use E-Filing if the presiding officer subsequently determines that the reason for granting the exemption from use of E-Filing no longer exists.

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket that is available to the public at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the Commission or the presiding officer. If you do not have an NRC-issued digital ID certificate as previously described, click "cancel" when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or personal phone numbers in their filings,

unless an NRC regulation or other law requires submission of such information. For example, in some instances, individuals provide home addresses in order to demonstrate proximity to a facility or site. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

The Commission will issue a notice or order granting or denying a hearing request or intervention petition, designating the issues for any hearing that will be held and designating the Presiding Officer. A notice granting a hearing will be published in the **Federal Register** and served on the parties to the hearing.

For further details with respect to this application, see the application dated December 23, 2020, and the HDI PSDAR and Site-Specific Decommissioning Cost Estimate dated December 23, 2020.

VI. Access to Sensitive Unclassified Non-Safeguards Information for Contention Preparation

Any person who desires access to proprietary, confidential commercial information that has been redacted from the application should contact the applicant by telephoning Susan H. Raimo, Entergy Services, LLC, at 202-530-7330 for the purpose of negotiating a confidentiality agreement or a proposed protective order with the applicant. If no agreement can be reached, persons who desire access to this information may file a motion with the Secretary and addressed to the Commission that requests the issuance of a protective order.

Dated: February 1, 2021.

For the Nuclear Regulatory Commission.

Scott P. Wall,

Senior Project Manager, Plant Licensing Branch III, Division of Operating Reactor Licensing, Office of Nuclear Reactor Regulation.

OFFICE OF SPECIAL COUNSEL

OSC Annual Survey

AGENCY: U.S. Office of Special Counsel.

ACTION: Notice of modification of information collection.

SUMMARY: The U.S. Office of Special Counsel (OSC), seeks approval from the Office of Management and Budget (OMB) for use of a modified survey that

differs only slightly from the most recently approved information collection, OSC's 2020 Annual Survey. By statute, OSC must conduct an annual survey to collect feedback from those who have contacted OSC for assistance, either by filing complaints and/or disclosures with OSC, or by seeking Hatch Act Advisory Opinions. This OSC annual survey consists of four electronic questionnaires (one for each type of assistance an individual can seek from OSC), each asking between five and ten questions. OSC invites comments on: (a) The accuracy of OSC's estimate of the burden of the proposed collections of information; (b) ways to enhance the quality, utility, and clarity of the information to be collected; and (c) ways to minimize the burden of the collection of information on respondents.

DATES: Written comments should be received on or before March 8, 2021.

ADDRESSES: You may submit written comments by mail to: Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for OSC, New Executive Office Building, Room 10235, Washington, DC 20503; or by email via: oir_submission@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT:

Amy Beckett, Senior Litigation Counsel, by telephone at (202) 804-7000, or by email at frliaison@osc.gov.

SUPPLEMENTARY INFORMATION: OSC is a permanent independent federal investigative and prosecutorial agency. OSC's basic authorities come from four federal statutes: The Civil Service Reform Act, the Whistleblower Protection Act, the Hatch Act, and the Uniformed Services Employment & Reemployment Rights Act (USERRA). OSC's primary mission is to safeguard the merit system by protecting federal employees and applicants from prohibited personnel practices, especially reprisal for whistleblowing, and to serve as a safe channel for allegations of wrongdoing. OSC is required to conduct an annual survey of individuals who seek its assistance. OSC conducts an annual survey pursuant to Section 13 of Public Law 103-424 (1994), codified at 5 U.S.C. 1212 note, which states, in part: "[T]he survey shall—(1) determine if the individual seeking assistance was fully apprised of their rights; (2) determine whether the individual was successful either at the Office of Special Counsel or the Merit Systems Protection Board; and (3) determine if the individual, whether successful or not, was satisfied with the treatment received from the Office of Special Counsel." The statute

requires OSC to publish the survey's results in OSC's annual report to Congress. Copies of prior years' annual reports are available on OSC's website, at <https://osc.gov/Pages/Resources-ReportsAndInfo.aspx> or by calling OSC at (202) 804-7000. The 2020 OSC Annual Survey, OMB Control Number 3255-0003, expires on March 30, 2021.

OSC will use the questionnaires to survey all persons who contacted OSC for assistance during the relevant time period.

The survey questionnaires are available for review online at <https://osc.gov/Resources/Pages/Reports.aspx#tabGroup07> or by calling OSC at (202) 804-7000.

Type of Information Collection Request: The survey seeks to determine whether individuals seeking assistance were fully apprised of their rights; were successful either at OSC or the MSPB; and whether successful or not, were satisfied with the treatment they received from OSC.

Affected public: Individuals (or their representatives) who sought OSC services through: (1) Submitting complaints alleging prohibited personnel practices, USERRA violations, or Hatch Act violations; (2) disclosures of information alleging violation of law, rule, or regulation, gross mismanagement or waste of funds, abuse of authority, substantial and

specific danger to public health and/or safety, or censorship related to scientific research; or (3) seeking Hatch Act advisory opinions.

Respondent's Obligation: Voluntary.

Estimated Annual Number of Survey Form Respondents: 500.

Frequency of Survey form use: One-time.

Estimated Average Amount of Time for a Person to Respond to survey: 5.3 minutes.

Estimated Annual Survey Burden: 44 hours.

Dated: January 29, 2021.

Bruce Gipe,

Chief Operating Officer.
