Section 4103(b)(2) of the Dingell Act requires the Forest Service to respond to public comments received on the proposed permanent order before issuing a final permanent order, including an explanation of how any significant issues raised by the comments were resolved and, if applicable, how resolution of those issues affected the proposed permanent order or the justification for the proposed permanent order. The final permanent order, the justification for the final permanent order, and the response to comments on the proposed permanent order will be posted on the Medicine Bow-Routt National Forests and Thunder Basin National Grassland's web page at <https://www.fs.usda.gov/alerts/mbr/alerts-notices>.

### Background and Need

The proposed permanent order would implement a requirement of the 2008 Allotment Management Plan Revisions for the Pole Mountain Grazing Allotments and Limiting Firearm Use Within the Pole Mountain Area Environmental Assessment (EA) and 2010 Decision Notice and Finding of No Significant Impact—Limiting Firearm Use Within the Pole Mountain Area. The proposed permanent order would prohibit discharging a firearm, air rifle, or gas gun in the Pole Mountain Area of the Laramie Ranger District of the Medicine Bow-Routt National Forests from March 31 to September 10 to address public safety and natural resource concerns. Land management plan direction does not limit recreational shooting in any other locations of the Medicine Bow-Routt National Forests.

The proposed permanent order and the justification for the proposed permanent order are posted on the Forest Service's Regulations and Policies web page at [www.fs.usda.gov/about-agency/regulations-policies](http://www.fs.usda.gov/about-agency/regulations-policies).
