

Requests (Suspension Requests) currently approved under Office of Management and Budget (OMB) No. 1845–0158. Under conditions that are specified in the TEACH Grant Program regulations, a grant recipient may request and receive a temporary suspension of the eight-year period for completing the service obligation, and a grant recipient who is subject to an extended call to active-duty military service may receive a discharge of some or all of the four-year service obligation. The requested revision to the information collection does not change the current number of respondents, responses, or burden hours. The only substantive proposed change is in the Certification. We have also made a minor conforming change in the TEACH Grant Service Obligation Suspension Request: Enrollment in a Qualifying Program or Completing Teacher Licensure Requirements form and minor formatting change to the TEACH Grant Service Obligation Suspension/Discharge Request: Military Service. We are otherwise proposing no substantive changes to the Certification and Suspension forms included with this submission.
