Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

A list of the issues which parties raised, and to which we responded in the Issues and Decision Memorandum, is attached to this notice as Appendix I. Final Rescission, in Part, of the Administrative Review

In the *Preliminary Results*, the Department indicated its intent to rescind this review with respect to ANH (Xinyi) Refractories ("ANH (Xinyi)"), Yingkou New Century Refractories Ltd. ("Yingkou New Century"), and RHI-Refractories Asia Pacific Pte. Ltd., RHI Refractories (Dalian) Co., Ltd., RHI Refractories Liaoning Co., Ltd., RHI Trading Shanghai Branch, and RHI Trading (Dalian) Co., Ltd. are rescinding this review with respect to ANH (Xinyi), Yingkou New Century and RHI.

PRC-Wide Entity

In the *Preliminary Results*, we assigned to the PRC-wide entity, which included Yingkou Byuquan Refractories

Co., Ltd. ("BRC"), a rate of 236.00 percent based upon adverse facts available ("AFA"). We have received no comment or information since the *Preliminary Results* that would warrant reconsideration of our determination. Therefore, the final results are unchanged from the *Preliminary*

Results, and we have continued to assign an AFA rate of 236.00 percent to the PRC-wide entity, which includes BRC.

Final Results of Review

The weighted-average dumping margins for the POR are as follows:

Exporter	Weighted-average dumping margin (percent)
Fengchi Imp. and Exp. Co., Ltd. of Haicheng City and Fengchi Refractories Co., of Haicheng City	236.00
PRC-wide entity (including Yingkou Byuquan Refractories Co., Ltd.)	236.00

The Department will disclose calculations performed for these final results to the parties within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Assessment

The Department will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review.

For any individually examined respondents whose weighted-average dumping margin is not below *de minimis* (i.e., 0.5 percent), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).⁶ The Department will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not below *de minimis*. Where either the respondent's weighted-average dumping margin is zero or below *de minimis*, or an importer-specific assessment rate is zero or below *de minimis*,⁷ the Department will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the PRC-wide entity, the Department will instruct CBP to assess antidumping duties at a rate equal to the weighted-average dumping margin included above in the Final Results of Review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (Act): (1) for the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of review (except, if the rate is zero or below *de minimis*, i.e., 0.5 percent, a zero cash deposit rate will be required for that exporter); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have a separate rate, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be 236.00 percent, the rate for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to

comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: April 9, 2013.

Assistant Secretary for Import Administration.
