

OMB extend its approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that, over the next 3 years, 5 forms in this series will be submitted each year. PBGC estimates that these forms would be completed by a combination of plan office staff and outside professionals: Attorneys and actuaries. PBGC estimates a total annual hour burden of 38.5 hours. PBGC estimates a total annual cost burden of \$39,415.

PBGC is soliciting public comments to—

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodologies and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

Submission of Information Collection for OMB Review; Comment Request; Request for Coverage Determination Form

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of request for extension of OMB approval of information collection.

SUMMARY: The Pension Benefit Guaranty Corporation (PBGC) is requesting that the Office of Management and Budget (OMB) extend approval, with modifications, under the Paperwork

Reduction Act, of a collection of information necessary for PBGC to determine whether a plan is covered under title IV of the Employee Retirement Security Income Act of 1974.

SUPPLEMENTARY INFORMATION: The Pension Benefit Guaranty Corporation (PBGC) is requesting that the Office of Management and Budget (OMB) extend approval, under the Paperwork Reduction Act, of a collection of information that filers use to request that PBGC determine whether a defined benefit pension plan is covered under title IV of the Employee Retirement Income Security Act of 1974 (ERISA). (OMB control number 1212-0072; expires June 30, 2022). This notice informs the public of PBGC's intent and solicits public comment on the collection of information.

A plan is covered under title IV, and thereby insured by PBGC, if it is described in section 4021(a) of ERISA and does not meet one of the exemptions from coverage listed in section 4021(b)(1)–(13). If a question arises about whether a plan is covered under title IV, a plan may submit the Request for Coverage Determination form to PBGC.

The Request for Coverage Determination form and corresponding

instructions are suitable for all types of requests, but they highlight the four plan types for which coverage determinations are most frequently requested: (1) Church plans as listed in section 4021(b)(3) of ERISA; (2) plans that are established and maintained exclusively for the benefit of plan sponsors' substantial owners as listed in section 4021(b)(9); (3) plans covering, since September 2, 1974, no more than 25 active participants that are established and maintained by professional services employers as listed in section 4021(b)(13); and (4) Puerto Rico-based plans within the meaning of section 1022(i)(1) of ERISA. PBGC needs the information requested to determine whether a plan is covered or not covered under title IV of ERISA.

PBGC intends to make editorial and formatting changes to question 1 and 2 of Part II of the form. These revisions are intended to provide greater clarity to filers. In addition, PBGC plans to add a new question to Part II inquiring about the number of eligible participants with no accrued benefit. This addition is intended to garner a more accurate count of a plan's participants. Finally, PBGC plans to amend Question 4 of Part III applicable to a plan seeking a determination as a substantial owners plan. Under the amendment, a plan will need to provide the dates when participants separated from service, in addition to dates and amounts of payment to them. This addition is intended to allow PBGC to properly count payees who may still be participants in a plan even after distributions have occurred.

The collection of information has been approved under OMB control number 1212-0072 (expires June 31, 2022). On March 1, 2022, PBGC published in the **Federal Register** (at 87 FR 11492) a notice informing the public of its intent to request approval of the revised collection of information. PBGC did not receive any comments. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that each year there will be 310 Request for Coverage Determination forms submitted to PBGC. PBGC further estimates the average hour burden is 1.5 hours and average cost burden is \$300. The total estimated annual burden of the collection of information is 465 hours and \$93,000.

Rule 17a–7

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 17a–7 (17 CFR 240.17a–7) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 17a–7 requires a non-resident broker-dealer (generally, a broker-dealer with its principal place of business in a place not subject to the jurisdiction of the United States) registered or applying for registration pursuant to Section 15 of the Exchange Act to maintain—in the United States—complete and current copies of books and records required to be maintained under any rule adopted under the Exchange Act and furnish to the Commission a written notice specifying the address where the copies are located. Alternatively, Rule 17a–7 provides that non-resident broker-dealers may file with the Commission a written undertaking to furnish the requisite books and records to the Commission upon demand within 14 days of the demand.

There are approximately 30 non-resident brokers and dealers. Based on the Commission's experience, the Commission estimates that the average amount of time necessary to comply with Rule 17a–7 is one hour per year. Accordingly, the total industry-wide reporting burden is approximately 30 hours per year. Assuming an average cost per hour of approximately \$319 for a compliance manager, the total internal
