

public interest. The Commission finds the proposal is also consistent with section 6(b)(6)<sup>9</sup> of the Act, which requires that the rules of an exchange provide that its members and associated persons be appropriately disciplined for violations of the Act and the rules of the Exchange. The Commission believes that the proposed rule change should assist the Exchange in exercising its responsibilities as self-regulatory organization to properly conduct surveillance and to diligently monitor its members for compliance with the securities laws. The Commission also believes that increasing the fines for Minor Rule Plan violations will serve as a deterrent, and hopefully will result in fewer violations. The Commission notes, however, that the Exchange must continue to exercise its discretion under PCX Rule 10.13(f) and pursue violations of the rules included in the Minor Rule Plan as formal disciplinary matters if the facts and circumstances of the violation warrant such action.

#### IV. Conclusion

*It Is Therefore Ordered*, pursuant to section 19(b)(2) of the Act,<sup>10</sup> that the proposed rule change (SR-PCX-00-37), as amended, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>11</sup>
