Proposed Collection; Comment Request

Upon Written Request, Copy Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension: Form N-54A

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act"), certain investment companies can elect to be regulated as business development companies, as defined in Section 2(a)(48) of the Investment Company Act (15 U.S.C. 80a-2(a)(48)). Under Section 54(a) of the Investment Company Act (15 U.S.C. 80a-53(a)), any company defined in Section 2(a)(48)(A) and (B) may elect to be subject to the provisions of Sections 55 through 65 of the Investment Company Act (15 U.S.C. 80a-54 to 80a-64) by filing with the Commission a notification of election, if such company has: (1) A class of equity securities registered under Section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"); or (2) filed a registration statement pursuant to Section 12 of the Exchange Act for a class of equity securities. The Commission has adopted Form N-54A (17 CFR 274.53) as the form for notification of election to be regulated as business development companies.

The purpose of Form N-54A is to notify the Commission that the investment company making the notification elects to be subject to Sections 55 through 65 of the Investment Company Act, enabling the Commission to administer those provisions of the Investment Company Act to such companies.

The Commission estimates that on average approximately 14 business development companies file these notifications each year. Each of those business development companies need only make a single filing of Form N-54A. The Commission further estimates

that this information collection imposes a burden of 0.5 hours, resulting in a total annual PRA burden of 7 hours. Based on the estimated wage rate, the total cost to the business development company industry of the hour burden for complying with Form N-54A would be approximately \$2,338.

The collection of information under Form N-54A is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: July 16, 2014.

Kevin M. O'Neill,
Deputy Secretary.

Extension:

Rule 17a-19 and Form X-17A-19

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information

provided for in Rule 17a-19 (17 CFR 240.17a-19) and Form X-17A-19 under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17a-19 requires every national securities exchange and registered national securities association to file a Form X-17A-19 with the Commission and the Securities Investor Protection Corporation ("SIPC") within 5 business days of the initiation, suspension, or termination of any member and, when terminating the membership interest of any member, to notify that member of its obligation to file financial reports as required by Exchange Act Rule 17a-5(b).¹

Commission staff anticipates that the national securities exchanges and registered national securities associations collectively will make 800 total filings annually pursuant to Rule 17a-19 and that each filing will take approximately 15 minutes. The total reporting burden is estimated to be approximately 200 total annual hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
