

consistent with IGRA. See 25 U.S.C. 2710(d)(8)(D). The IGRA also requires the Secretary to publish in the **Federal Register** notice of the approved Tribal-State compacts for the purpose of engaging in class III gaming activities on Indian lands. See 25 U.S.C. (d)(8)(D). As required by 25 CFR 293.4, all compacts and amendments are subject to review and approval by the Secretary. The Amendment increases the Tribe's allowable deduction from its annual revenue sharing payment to the State for monetary and in-kind contributions to eligible county and local government entities for projects identified in the amendment. The Secretary took no action on the fourth amendment to the Tribal-State compact for class III gaming between the Oneida Nation and the State of Wisconsin. Therefore, the amendment is considered to have been approved, but only to the extent it is consistent with IGRA. See 25 U.S.C. 2710(d)(8)(C).

Scott J. Davis,

Senior Advisor to the Secretary of the Interior, Exercising the delegated authority of the Assistant Secretary—Indian Affairs.

**Bureau of Safety and Environmental

**[EEEE500000 256E1700D2

**Notice of Proposed Transfer of
Pipelines**

AGENCY: Bureau of Safety and
Environmental Enforcement, Interior.
ACTION: Notice of Intent to Transfer
Pipeline Ownership and Request for
Submissions of Competing Interest.

SUMMARY: The Bureau of Safety and
Environmental Enforcement (BSEE) is
considering whether to authorize the
transfer of ownership of certain
pipelines in the Gulf of America (GOA).
DATES: Submissions of competing
interest are due by July 30, 2025.
ADDRESSES: GOA Regional Supervisor,
Regional Field Operations, Bureau of
Safety and Environmental Enforcement,
1201 Elmwood Park Blvd., New
Orleans, LA 70123–2394. You may also
file submissions of competing interest
electronically using a subject reference

“Submission of Competing Interest—
Pipelines” at pipelines@bsee.gov.
FOR FURTHER INFORMATION CONTACT:
Otho Barnes, Bureau of Safety and
Environmental Enforcement, Regional
Supervisor, at (504) 736–5776, or by
email to: otho.barnes@bsee.gov.
SUPPLEMENTARY INFORMATION:
Background: BSEE received a written
request to acquire a certain pipeline
segment in the GOA located on a right-
of-way (ROW) that has been
relinquished pursuant to 30 CFR
250.1019. The associated pipeline
segment was relinquished by the ROW
holder on August 13, 2022. The party
requesting to acquire the pipeline is a
prior ROW holder for the segment.
BSEE has determined that, pursuant
to 30 CFR 250.1010(h), the Outer
Continental Shelf (OCS) pipeline and
any related infrastructure are the
property of the United States and may
be transferred to private parties. BSEE
received the request from a private party
seeking to acquire the pipeline segment
from the United States, as set forth in
the table below:

PIPELINE SEGMENT WITH PENDING APPLICATION FOR ACQUISITION

Previous ROW holder	Previous PSN	Previous ROW	ROW relinquishment date
Arena Offshore, LP	11501	ROW OCS–G 18811	08/13/2022

Purpose: The Department of the
Interior has determined that the
pipeline segment is subject to
disposition pursuant to 40 U.S.C. 701
and the General Services
Administration Federal Management
Regulations at 41 CFR part 102–36.
BSEE is providing notice that, until July
30, 2025, it will accept submissions of
competing interest for acquisition of the
pipeline segment. Depending on the
level of interest, BSEE will complete a
transfer of ownership of the pipeline to
a private party through an appropriate
transfer process.

In addition to transferring the
pipeline interest, a new ROW will still
be required pursuant to 30 CFR part
250, subpart J prior to any use of the
pipeline. The transfer of pipeline
ownership from the United States to
another party will make that party
responsible for the pipeline, including
future operations, maintenance, and all
decommissioning obligations.

Purpose of a Notice of Intent (NOI)

This NOI serves to inform interested
parties of BSEE’s intent to transfer
ownership of the pipeline that is located
in the previously described relinquished

ROW on the OCS, and to describe
BSEE’s process for accepting
submissions of competing interest.

BSEE will evaluate and respond to all
submissions received pursuant to this
NOI. If BSEE receives future requests to
reuse other pipelines, it will issue
similar NOIs to notify the public and to
solicit statements of competing interest.

Instructions for the NOI

Parties interested in acquiring the
aforementioned pipeline should submit
the information outlined in the Purpose
section above to the GOA Regional
Supervisor for Regional Field
Operations as provided in the
ADDRESSES section no later than July 30,
2025.

Kenneth C. Stevens,
*Principal Deputy Director Exercising the
Delegated Authorities of the Director Bureau
of Safety and Environmental Enforcement.*
