## SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-242, OMB Control No. 3235-0206]

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

*Extension:*  
Rule 19d-1

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 19d-1 (17 CFR 240.19d-1) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this

existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 19d-1 prescribes the form and content of notices to be filed with the Commission by self-regulatory organizations ("SROs") for which the Commission is the appropriate regulatory agency concerning the following final SRO actions: (1) Disciplinary actions with respect to any person; (2) denial, bar, prohibition, or limitation of membership, participation or association with a member or of access to services offered by an SRO or member thereof; (3) summarily suspending a member, participant, or person associated with a member, or summarily limiting or prohibiting any persons with respect to access to or services offered by the SRO or a member thereof; and (4) delisting a security.

The Rule enables the Commission to obtain reports from the SROs containing information regarding SRO determinations to delist a security, discipline members or associated persons of members, deny membership or participation or association with a member, and similar adjudicated findings. The Rule requires that such actions be promptly reported to the Commission. The Rule also requires that the reports and notices supply sufficient information regarding the background, factual basis and issues involved in the proceeding to enable the Commission: (1) To determine whether the matter should be called up for review on the Commission's own motion; and (2) to ascertain generally whether the SRO has adequately carried out its responsibilities under the Exchange Act.

It is estimated that approximately 19 respondents will file a total of approximately 912 submissions per year (an average of 48 per respondent). The Commission estimates that the average number of hours necessary to comply with the requirements of Rule 19d-1 for each submission is 1 hour. The total annual burden for all respondents is thus 912 hours. The Commission estimates that the internal compliance cost per respondent is approximately \$319 per response. The annual internal cost of compliance for all respondents is thus approximately \$290,928 (19 respondents × 48 responses × \$319 per response).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to

enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by June 13, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Acting Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: April 7, 2022.

proposed rule change is available on the Exchange's website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

NYSE Arca Rule 8.900–E permits the listing and trading, or trading pursuant to unlisted trading privileges, of Managed Portfolio Shares, which are securities issued by an actively managed open-end investment management company.<sup>4</sup> Rule 8.900–E(b)(1) requires the Exchange to file separate proposals under Section 19(b) of the Act before listing and trading any series of Managed Portfolio Shares on the Exchange. Therefore, the Exchange is submitting this proposal in order to list and trade Managed Portfolio Shares of the FMC Excelsior Focus Equity ETF (the “Fund”), a series of the Northern Lights Fund Trust IV (the “Trust”), under Rule 8.900–E.

<sup>4</sup> Rule 8.900–E(c)(1) provides that the term “Managed Portfolio Share” means a security that (a) represents an interest in an investment company registered under the Investment Company Act of 1940 (“Investment Company”) organized as an open-end management investment company that invests in a portfolio of securities selected by the Investment Company's investment adviser consistent with the Investment Company's investment objectives and policies; (b) is issued in a Creation Unit, or multiples thereof, in return for a designated portfolio of instruments (and/or an amount of cash) with a value equal to the next determined net asset value and delivered to the Authorized Participant (as defined in the Investment Company's Form N–1A filed with the Commission) through a Confidential Account; (c) when aggregated into a Redemption Unit, or multiples thereof, may be redeemed for a designated portfolio of instruments (and/or an amount of cash) with a value equal to the next determined net asset value delivered to the Confidential Account for the benefit of the Authorized Participant; and (d) the portfolio holdings for which are disclosed within at least 60 days following the end of every fiscal quarter.

The Commission has previously approved or noticed for immediate effectiveness the listing and trading on the Exchange of Managed Portfolio Shares under NYSE Arca Rule 8.900–E.<sup>5</sup>

#### Description of the Fund and the Trust

The shares of the Fund (the “Shares”) will be issued by the Trust, a statutory trust organized under the laws of the state of Delaware and registered with the Commission as an open-end management investment company.<sup>6</sup> The investment adviser to the Fund will be First Manhattan Co. (the “Adviser”). Vident Investment Advisory, LLC will be the sub-adviser (the “Sub-Adviser”) for the Fund. Northern Lights Distributors, LLC (the “Distributor”) will serve as the distributor for each of the Fund's Shares. All statements and representations made in this filing regarding (a) the description of the portfolio or reference assets, (b) limitations on portfolio holdings or reference assets, or (c) the applicability of Exchange rules shall constitute continued listing requirements for listing the Shares on the Exchange, as provided under Rule 8.900–E(b)(1).

Rule 8.900–E(b)(4) provides that, if the investment adviser to the

<sup>6</sup> The Trust is registered under the Investment Company Act of 1940 (the “1940 Act”). On September 24, 2021, the Trust filed a registration statement on Form N–1A under the Securities Act of 1933 (the “1933 Act”) and the 1940 Act for the Fund (File No. 811–23603) (“Registration Statement”). The Commission issued an order granting exemptive relief to the Trust (“Exemptive Order”) under the 1940 Act on March 22, 2022 (Investment Company Act Release No. 34537). The Exemptive Order was granted in response to the Trust's application for exemptive relief (the “Exemptive Application”) (File No. 812–15282). The description of the operation of the Trust and the Fund herein is based, in part, on the Registration Statement. The Exchange will not commence trading in Shares of the Fund until the Registration Statement is effective.

Investment Company issuing Managed Portfolio Shares is registered as a broker-dealer or is affiliated with a broker-dealer, such investment adviser will erect and maintain a “fire wall” between the investment adviser and personnel of the broker-dealer or broker-dealer affiliate, as applicable, with respect to access to information concerning the composition of and/or changes to such Investment Company portfolio and/or the Creation Basket.<sup>7</sup> Any person related to the investment adviser or Investment Company who makes decisions pertaining to the Investment Company's portfolio composition or has access to information regarding the Investment Company's portfolio composition or changes thereto or the Creation Basket must be subject to procedures designed to prevent the use and dissemination of material non-public information regarding the applicable Investment Company portfolio or changes thereto or the Creation Basket.

Rule 8.900–E(b)(4) is similar to Commentary .03(a)(i) and (iii) to Rule 5.2–E(j)(3); however, Commentary .03(a) in connection with the establishment of a “fire wall” between the investment adviser and the broker-dealer reflects the applicable open-end fund's portfolio, not an underlying benchmark index, as is the case with index-based funds.<sup>8</sup> Rule 8.900–E(b)(4) is also

<sup>7</sup> Rule 8.900–E(c)(5) provides that the term “Creation Basket” means, on any given business day, the names and quantities of the specified instruments (and/or an amount of cash) that are required for an AP Representative to deposit in-kind on behalf of an Authorized Participant in exchange for a Creation Unit and the names and quantities of the specified instruments (and/or an amount of cash) that will be transferred in-kind to an AP Representative on behalf of an Authorized Participant in exchange for a Redemption Unit, which will be identical and will be transmitted to each AP Representative before the commencement of trading.

<sup>8</sup> An investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 (the “Advisers Act”). As a result, the Adviser, Sub-Adviser, and their related personnel will be subject to the provisions of Rule 204A–1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A–1 under the Advisers Act. In addition, Rule 206(4)–7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violations, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to

similar to Commentary .06 to Rule 8.600–E related to Managed Fund Shares, except that Rule 8.900–E(b)(4) relates to establishment and maintenance of a “fire wall” between the investment adviser and personnel of the broker-dealer or broker-dealer affiliate, as applicable, with respect to an Investment Company’s portfolio and Creation Basket, and not just to the underlying portfolio, as is the case with Managed Fund Shares. The Adviser is not registered as a broker-dealer but is affiliated with a broker-dealer. The Adviser has implemented and will maintain a “fire wall” with respect to such broker-dealer affiliate regarding access to information concerning the composition of and/or changes to the Fund’s portfolio and/or Creation Basket. The Sub-Adviser is not registered as a broker-dealer or affiliated with a broker-dealer.

In the event (a) the Adviser or Sub-Adviser becomes registered as a broker-dealer or becomes newly affiliated with a broker-dealer, or (b) any new adviser or sub-adviser is a registered broker-dealer, or becomes affiliated with a broker-dealer, it will implement and maintain a fire wall with respect to personnel of the broker-dealer or broker-dealer affiliate regarding access to information concerning the composition and/or changes to the portfolio and/or Creation Basket. Any person related to the Adviser, Sub-Adviser, or the Trust who makes decisions pertaining to the Fund’s portfolio composition or that has access to information regarding the Fund’s portfolio composition or that has access to information regarding the Fund’s portfolio or changes thereto or the Creation Basket will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding such portfolio or changes thereto and the Creation Basket.

Further, Rule 8.900–E(b)(5) requires that any person or entity, including an AP Representative (as defined below), custodian, Reporting Authority, distributor, or administrator, who has access to non-public information regarding the Investment Company’s portfolio composition or changes thereto or the Creation Basket, must be subject to procedures reasonably designed to prevent the use and dissemination of material non-public information regarding the applicable Investment

Company portfolio or changes thereto or the Creation Basket. Moreover, if any such person or entity is registered as a broker-dealer or affiliated with a broker-dealer, such person or entity will erect and maintain a “fire wall” between the person or entity and the broker-dealer with respect to access to information concerning the composition and/or changes to such Investment Company portfolio or Creation Basket.

#### Description of the Fund<sup>9</sup>

The Fund’s holdings will conform to the permissible investments as set forth in the Exemptive Application and Exemptive Order, and the holdings will be consistent with all requirements in the Exemptive Application and Exemptive Order.<sup>10</sup>

The Fund’s primary objective is to seek long-term capital appreciation. The Fund will primarily invest in U.S. exchange-traded common stocks of companies that are listed on U.S. national securities exchanges and trade contemporaneously with the Shares. The Fund does not have a targeted market capitalization for the common stocks of its holdings. The Fund will, during normal market conditions, generally own approximately 25 to 30 holdings but may, from time to time, hold a greater number of common stocks.

#### Investment Restrictions

The Fund’s holdings will be consistent with all requirements described in the Exemptive Application and Exemptive Order.<sup>11</sup>

The Fund’s investments, including derivatives, will be consistent with its investment objective and will not be

<sup>9</sup> The Exchange represents that, for initial and continued listing, the Fund will be in compliance with Rule 10A–3 under the Act. See 17 CFR 240.10A–3.

<sup>10</sup> Pursuant to the Exemptive Order, the only permissible investments for the Fund are the following that trade on a U.S. exchange contemporaneously with Shares of the Fund: exchange-traded funds (“ETFs”), exchange-traded notes, exchange-listed common stocks, exchange-traded preferred stocks, exchange-traded American Depositary Receipts, exchange-traded real estate investment trusts, exchange-traded commodity pools, exchange-traded metal trusts, exchange-traded currency trusts, and exchange-traded futures for which the reference asset is one in which the Fund may invest directly, in the case of an index future traded on a U.S. exchange, is based on an index, the components of which are a type of asset in which the Fund could invest directly, as well as cash and cash equivalents (which are short-term U.S. Treasury securities, government money market funds, and repurchase agreements). All of the equity instruments or futures held by the Fund will be traded on an exchange that is a member of the Intermarket Surveillance group (“ISG”) or affiliated with a member of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

used to enhance leverage (although certain derivatives and other investments may result in leverage). That is, the Fund’s investments will not be used to seek performance that is the multiple or inverse multiple (*e.g.*, 2X or –3X) of the Fund’s primary broad-based securities benchmark index (as defined in Form N–1A).<sup>12</sup>

#### Creations and Redemptions of Shares

Creations and redemptions of Shares will take place as described in Rule 8.900–E. Specifically, in connection with the creation and redemption of Creation Units<sup>13</sup> the delivery or receipt of any portfolio securities in-kind will be required to be effected through a separate confidential brokerage account (a “Confidential Account”).<sup>14</sup> An Authorized Participant (“AP”), as defined in the applicable Form N–1A filed with the Commission, will sign an agreement with an AP Representative<sup>15</sup> establishing the Confidential Account for the benefit of the AP. AP Representatives will be broker-dealers. An AP must be a participant in the Continuous Net Settlement System of the National Securities Clearing Corporation (“NSCC”) or a participant in the Depository Trust Company, and

<sup>12</sup> The Fund’s broad-based securities benchmark index will be identified in a future amendment to the Registration Statement following the Fund’s first full calendar year of performance.

<sup>13</sup> Rule 8.900–E(c)(6) provides that the term “Creation Unit” means a specified minimum number of Managed Portfolio Shares issued by an Investment Company at the request of an Authorized Participant in return for a designated portfolio of instruments and/or cash. Rule 8.900–E(c)(7) provides that the term “Redemption Unit” means a specified minimum number of Managed Portfolio Shares that may be redeemed to an Investment Company at the request of an Authorized Participant in return for a portfolio of instruments and/or cash. For purposes of this filing, the terms “Creation Unit” means either a Creation Unit as defined in Rules 8.900–E(c)(6) or a Redemption Unit as defined in Rule 8.900–E(c)(7).

<sup>14</sup> Rule 8.900–E(c)(4) provides that the term “Confidential Account” means an account owned by an Authorized Participant and held with an AP Representative on behalf of the Authorized Participant. The account will be established and governed by contractual agreement between the AP Representative and the Authorized Participant solely for the purposes of creation and redemption, while keeping confidential the Creation Basket constituents of each series of Managed Portfolio Shares, including from the Authorized Participant. The books and records of the Confidential Account will be maintained by the AP Representative on behalf of the Authorized Participant.

<sup>15</sup> Rule 8.900–E(c)(3) provides that the term “AP Representative” means an unaffiliated broker-dealer, with which an Authorized Participant has signed an agreement to establish a Confidential Account for the benefit of such Authorized Participant, that will deliver or receive, on behalf of the Authorized Participant, all consideration to or from the Investment Company in a creation or redemption. An AP Representative will not be permitted to disclose the Creation Basket to any person, including the Authorized Participants.

subparagraph (i) above and the effectiveness of their implementation; and (iii) designated an individual (who is a supervised person) responsible for administering the policies and procedures adopted under subparagraph (i) above. The Fund will also be required to comply with Exchange rules relating to disclosure, including Rule 5.3–E(i).

must have executed an authorized participant agreement (“Participant Agreement”) with the Distributor with respect to the creation and redemption of Creation Units and formed a Confidential Account for its benefit in accordance with the terms of the Participant Agreement. For purposes of creations or redemptions, all transactions will be effected through the respective AP’s Confidential Account, for the benefit of the AP, without disclosing the identity of such securities to the AP.

Each day, the Fund’s custodian will transmit the underlying securities of the Fund’s Creation Basket (as described below) to each AP Representative. This information will permit an AP that has established a Confidential Account with an AP Representative to transact in the underlying securities of the Creation Basket through their AP Representatives, enabling them to engage in in-kind creation or redemption activity without knowing the identity or weighting of those securities. Fund Shares will be issued and redeemed in Creation Units of 5,000 Shares or more. The Fund will offer and redeem Creation Units on a continuous basis at the net asset value (“NAV”) per Share next determined after receipt of an order in proper form. The Fund’s NAV will be determined as of the scheduled closing time of the regular trading session on the Exchange (ordinarily, 4:00 p.m. E.T.) on each day that the Exchange is open.

In order to keep costs low and permit the Fund to be as fully invested as possible, Shares will be purchased and redeemed in Creation Units and generally on an in-kind basis. The Fund will issue and redeem Creation Units principally in exchange for a basket of securities (the “Deposit Securities”), together with the deposit of a specified cash payment (the “Cash Component”). Together, the Deposit Securities and Cash Component constitute the “Portfolio Deposit.” The Cash Component serves the function of compensating for any differences between the NAV per Creation Unit and the market value of the Deposit Securities. On each business day, prior to the opening of business on the Exchange (ordinarily, 9:30 a.m. E.T.), the custodian will make available to the AP Representatives through NSCC the name and amount of each Deposit Security in the current Portfolio Deposit for the Fund and the estimated Cash Component. The Deposit Securities and estimated Cash Component, as applicable, announced are applicable to purchases of Creation Units until the next announcement of Deposit

Securities and estimated Cash Component, as applicable. The Fund may permit or require the substitute of an amount of cash to be added to the Cash Component to replace any Deposit Security. On any given business day, the names and quantities of the instruments that constitute the Deposit Securities will correspond pro rata to the positions in the Fund’s portfolio (including cash positions) and, thus, will be identical. These instruments may be referred to, in the case of either a purchase or a redemption, as the “Creation Basket.”

#### Placement of Purchase Orders

The Fund will issue Shares through the Distributor on a continuous basis at NAV. The Exchange represents that the issuance of Shares will operate in a manner substantially similar to that of other ETFs, including transparent ETFs. The Fund will issue Shares only at the NAV per Share next determined after an order in proper form is received.

The Distributor will furnish acknowledgements to those placing such orders that the orders have been accepted, but the Distributor may reject any order which is not submitted in proper form, as described in the Fund’s prospectus or Statement of Additional Information (“SAI”). The NAV of the Fund is expected to be determined once each business day as of the close of the regular trading session on the Exchange (ordinarily, 4:00 p.m. E.T.). An AP must submit an irrevocable purchase order no later than the earlier of (i) 4:00 p.m. E.T. or (ii) the closing time of the trading session on the Exchange, on any business day in order to receive that business day’s NAV (“Cut-off Time”). The business day the order is deemed received by the Distributor is referred to as the “Transmittal Date.” An order to create Creation Units is deemed received on a business day if (i) such order is received by the Distributor by the Cut-off Time on such day and (ii) all other procedures set forth in the Participant Agreement are properly followed. In purchasing the necessary securities, the AP Representative will use methods, such as breaking the transaction into multiple transactions and transacting in multiple marketplaces, to avoid revealing the composition of the Creation Basket.

Purchases of Shares will be settled in-kind and/or in cash for an amount equal to the applicable NAV per Share purchased plus applicable transaction fees.<sup>16</sup> Other than the Cash Component,

the Fund will substitute cash only under circumstances that are in the best interests of the Fund and as set forth under the Fund’s policies and procedures governing the composition of Creation Baskets.

#### Authorized Participant Redemption

The Shares may be redeemed to the Fund in Creation Unit size or multiples thereof as described below. Redemption orders of Creation Units must be placed by or through an AP. Creation Units of the Fund will be redeemable at their NAV per Share next determined after receipt of a request for redemption by the Trust in the manner specified below before the Cut-off Time. To initiate a redemption Order, an AP must submit to the Distributor an irrevocable order to redeem such Creation Unit no later than the Cut-off Time on the Transmittal Date. A transaction fee may be imposed to offset costs associated with redemption orders.

To redeem a Creation Unit, an AP must submit an irrevocable redemption request to the Distributor no later than the Cut-off Time. The Fund would then instruct its custodian to deliver a designated portfolio of securities (“Redemption Instruments”) to the appropriate Confidential Account in exchange for the Creation Units being redeemed. The AP will instruct the AP Representative when to liquidate the securities in the Confidential Account. As with purchase orders, the business day the order is deemed received by the Distributor is referred to as the Transmittal Date. A redemption request is deemed received if (i) such order is received by the Distributor by the Cut-off Time on such day and (ii) all other procedures set forth in the Participant Agreement are properly followed. In response to a redemption request, the Fund will instruct the custodian to deliver an in-kind basket of designated securities (the “Redemption Securities”) and a Cash Component (together, the “Redemption Basket”) to the appropriate Confidential Account. The Cash Component serves the function of compensating for any differences between the NAV per Creation Unit and the Redemption Securities. The AP would direct the AP Representative on that day to liquidate those securities. As with the purchase of securities, the AP Representative will use methods, such as breaking the transaction into multiple transactions and transacting in multiple marketplaces, to avoid revealing the composition of the Redemption Basket.

Redemptions will occur primarily in-kind, although redemption payments may also be made partly or wholly in cash. The Fund may permit or require

<sup>16</sup> To the extent that the Fund allows creations or redemptions to be conducted in cash, such transactions will be effected in the same manner for all APs transacting in cash.

the substitution of cash to be added to the Cash Component to replace any Redemption Security. The Participant Agreement signed by each AP will require establishment of a Confidential Account to receive distributions of securities in-kind upon redemption. Each AP will be required to open a Confidential Account with an AP Representative in order to facilitate orderly processing of redemptions.

#### Net Asset Value

The NAV will be calculated for the Shares of the Fund on each business day. The Fund's NAV is determined as of the close of regular trading on the Exchange, normally 4:00 p.m., E.T. The NAV of the Fund's Shares is determined by dividing the total value of the Fund's assets, less any liabilities, by the total number of Shares outstanding of the Fund at the time the determination is made.

Generally, the Fund's portfolio securities are valued each day at the last quoted sales price on each security's primary exchange. Securities traded or dealt in upon one or more securities exchanges for which market quotations are readily available and not subject to restrictions against resale shall be valued at the last quoted sales price on the primary exchange or, in the absence of a sale on the primary exchange, at the mean between the current bid and ask prices on such exchange. Securities primarily traded in the NASDAQ National Market System for which market quotations are readily available shall be valued using the NASDAQ Official Closing Price. If market quotations are not readily available, securities will be valued at their fair market value as determined in good faith by the Fund's fair value committee in accordance with procedures approved by the Board. Securities that are not traded or dealt in any securities exchange (whether domestic or foreign) and for which over-the-counter market quotations are readily available generally shall be valued at the last sale price or, in the absence of a sale, at the mean between the current bid and ask price on such over-the-counter market.

More information about the valuation of the Fund's holdings can be found in the SAI.

Information regarding the Fund's NAV and how often Shares of the Fund traded at a price above (*i.e.*, at a premium) or below (*i.e.*, at a discount) the Fund's NAV will be available on the Fund's website ([www.FMCX.com](http://www.FMCX.com)).

#### Availability of Information

The Fund's website, [www.FMCX.com](http://www.FMCX.com), will include the prospectus for the Fund

that may be downloaded. The Fund's website will include additional quantitative information updated on a daily basis, including the prior business day's NAV, market closing price or mid-point of the bid/ask spread at the time of calculation of such NAV (the "Bid/Ask Price"),<sup>17</sup> and a calculation of the premium and discount of the market closing price or Bid/Ask Price against the NAV. The website and information will be publicly available at no charge.

Form N-PORT requires reporting of a Fund's complete portfolio holdings on a position-by-position basis on a quarterly basis within 60 days after fiscal quarter end. Investors can obtain a Fund's SAI, its shareholder reports, its Form N-CSR, filed twice a year, and its Form N-CEN, filed annually. The Fund's SAI and shareholder reports are available free upon request from the Fund, and those documents and the Form N-PORT, Form N-CSR, and Form N-CEN may be viewed onscreen or downloaded from the Commission's website at [www.sec.gov](http://www.sec.gov).

Information regarding market price and trading volume of the Shares will be continually available on a real-time basis throughout the day on brokers' computer screens and other electronic services. Information regarding the previous day's closing price and trading volume information for the Shares will be published daily in the financial section of newspapers. Quotation and last sale information for the Shares will be available via the Consolidated Tape Association ("CTA") high-speed line. In addition, the Verified Intraday Indicative Value ("VIIV"), as defined in Rule 8.900-E(c)(2),<sup>18</sup> will be widely disseminated by the Reporting Authority<sup>19</sup> and/or one or more major

<sup>17</sup> The Bid/Ask Price of the Fund's Shares is determined using the mid-point between the current national best bid and offer at the time of calculation of the Fund's NAV. The records relating to Bid/Ask Prices will be retained by the Fund or their service providers.

<sup>18</sup> Rule 8.900-E(c)(2) provides that the term "Verified Intraday Indicative Value" is the indicative value of a Managed Portfolio Share based on all of the holdings of a series of Managed Portfolio Shares as of the close of business on the prior business day and, for corporate actions, based on the applicable holdings as of the opening of business on the current business day, priced and disseminated in one second intervals during the Exchange's Core Trading Session by the Reporting Authority.

<sup>19</sup> Rule 8.900-E(c)(8) provides that the term "Reporting Authority" in respect of a particular series of Managed Portfolio Shares means the Exchange, an institution, or a reporting service designated by the Exchange or by the exchange that lists a particular series of Managed Portfolio Shares (if the Exchange is trading such series pursuant to unlisted trading privileges), as the official source for calculating and reporting information relating to such series, including, but not limited to, the NAV, the VIIV, or other information relating to the

market data vendors in one second intervals during the Exchange's Core Trading Session and will be available to all market participants at the same time.

#### Dissemination of the VIIV

With respect to trading of the Shares, the ability of market participants to buy and sell Shares at prices near the VIIV is dependent upon their assessment that the VIIV is a reliable, indicative real-time value for the Fund's underlying holdings. Market participants are expected to accept the VIIV as a reliable, indicative real-time value because (1) the VIIV will be calculated and disseminated based on the Fund's actual portfolio holdings, (2) the securities in which the Fund plans to invest are generally highly liquid and actively traded and trade at the same time as the Fund and therefore generally have accurate real time pricing available, and (3) market participants will have a daily opportunity to evaluate whether the VIIV at or near the close of trading is indeed predictive of the actual NAV.

The VIIV will be widely disseminated by the Reporting Authority and/or by one or more major market data vendors in one second intervals during the Exchange's Core Trading Session. The VIIV is based on the current market value of the securities in the Fund's portfolio that day. The methodology for calculating the Fund's VIIV is available on the Fund's website. The VIIV is intended to provide investors and other market participants with a highly correlated per Share value of the underlying portfolio that can be compared to the current market price. Therefore, under normal circumstances the VIIV would be effectively a near real time approximation of the Fund's NAV, available free of charge from one or more market data vendors, which is computed only once a day.

#### Trading Halts

With respect to trading halts, the Exchange may consider all relevant factors in exercising its discretion to halt or suspend trading in the Shares of the Fund.<sup>20</sup> Trading in Shares of the Fund will be halted if the circuit breaker parameters in Rule 7.12-E have been reached. Trading also may be halted because of market conditions or for reasons that, in the view of the Exchange, make trading in the Shares inadvisable. Trading in the Shares will be subject to Rule 8.900-E(d)(2)(C), which sets forth circumstances under

issuance, redemption, or trading of Managed Portfolio Shares. A series of Managed Portfolio Shares may have more than one Reporting Authority, each having different functions.

<sup>20</sup> See Rule 7.12-E.

which trading in the Shares of the Fund will be halted.

Specifically, Rule 8.900–E(d)(2)(C)(i) provides that the Exchange may consider all relevant factors in exercising its discretion to halt trading in a series of Managed Portfolio Shares. Trading may be halted because of market conditions or for reasons that, in the view of the Exchange, make trading in the series of Managed Portfolio Shares inadvisable. These may include: (a) The extent to which trading is not occurring in the securities and/or the financial instruments composing the portfolio; or (b) whether other unusual conditions or circumstances detrimental to the maintenance of a fair and orderly market are present.<sup>21</sup>

Rule 8.900–E(d)(2)(C)(ii) provides that, if the Exchange becomes aware that: (i) The VIIV of a series of Managed Portfolio Shares is not being calculated or disseminated in one second intervals, as required; (ii) the NAV with respect to a series of Managed Portfolio Shares is not disseminated to all market participants at the same time; (iii) the holdings of a series of Managed Portfolio Shares are not made available on at least a quarterly basis as required under the 1940 Act; or (iv) such holdings are not made available to all market participants at the same time (except as otherwise permitted under the currently applicable exemptive order or no-action relief granted by the Commission or Commission staff to the Investment Company with respect to the series of Managed Portfolio Shares), it will halt trading in such series until such time as the Verified Intraday Indicative Value, the NAV, or the holdings are available, as required.

#### Trading Rules

The Exchange deems the Shares to be equity securities, thus rendering trading in the Shares subject to the Exchange's existing rules governing the trading of equity securities. Shares will trade on

the Exchange in all trading sessions in accordance with Rule 7.34–E(a). As provided in Rule 7.6–E, the minimum price variation (“MPV”) for quoting and entry of orders in equity securities traded on the NYSE Arca Marketplace is \$0.01, with the exception of securities that are priced less than \$1.00, for which the MPV for order entry is \$0.0001. A minimum of 100,000 Shares of the Fund will be outstanding at the commencement of trading on the Exchange.

The Shares will conform to the initial and continued listing criteria under Rule 8.900–E, as well as all terms in the Exemptive Order. The Exchange will obtain a representation from the issuer of the Shares of the Fund that the NAV per Share of the Fund will be calculated daily and will be made available to all market participants at the same time.

#### Surveillance

The Exchange believes that its surveillance procedures are adequate to properly monitor the trading of Shares on the Exchange during all trading sessions and to deter and detect violations of Exchange rules and the applicable federal securities laws. Trading of Shares through the Exchange will be subject to the Exchange's surveillance procedures for derivative products. As part of these surveillance procedures and consistent with Rule 8.900–E(b)(3) and 8.900–E(d)(2)(B), the Adviser will upon request make available to the Exchange and/or the Financial Industry Regulatory Authority (“FINRA”), on behalf of the Exchange, the daily portfolio holdings of the Fund. The issuer of the Shares of the Fund will be required to represent to the Exchange that it will advise the Exchange of any failure by the Fund to comply with the continued listing requirements, and, pursuant to its obligations under Section 19(g)(1) of the Exchange Act, the Exchange will surveil for compliance with the continued listing requirements. If the Fund is not in compliance with the applicable listing requirements, the Exchange will commence delisting procedures under Exchange Rule 5.5–E(m).

FINRA, on behalf of the Exchange, or the regulatory staff of the Exchange, or both, will communicate as needed regarding trading in the Shares and certain exchange-traded instruments with other markets and other entities that are members of the ISG, and FINRA, on behalf of the Exchange, or the regulatory staff of the Exchange, or both, may obtain trading information regarding trading such securities from such markets and other entities. In addition, the Exchange may obtain

information regarding trading in the Shares and certain exchange-traded instruments from markets and other entities that are members of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

In addition, the Exchange also has a general policy prohibiting the distribution of material, non-public information by its employees.

#### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>22</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>23</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Exchange believes that this proposed rule change is designed to prevent fraudulent and manipulative acts and practices in that the Fund would meet each of the rules relating to listing and trading of Managed Portfolio Shares. To the extent that the Fund is not in compliance with such rules, the Exchange would either prevent the Fund from listing and trading on the Exchange or commence delisting procedures under Rule 8.900–E(d)(2)(B). Specifically, the Exchange would consider the suspension of trading, and commence delisting proceedings under Rule 8.900–E(d)(2)(B), of the Fund under any of the following circumstances: (a) If, following the initial twelve-month period after commencement of trading on the Exchange, there are fewer than 50 beneficial holders of the Fund; (b) if the Exchange has halted trading in the Fund because the VIIV is interrupted pursuant to Rule 8.900–E(d)(2)(C)(ii) and such interruption persists past the trading day in which it occurred or is no longer available; (c) if the Exchange has halted trading in the Fund because the NAV with respect to such Fund is not disseminated to all market participants at the same time, the holdings of such Fund are not made available on at least a quarterly basis as required under the 1940 Act, or such holdings are not made available to all market participants at the same time pursuant to Rule 8.900–E(d)(2)(C)(ii) and such issue persists past the trading day in which it occurred; (d) if the Exchange has halted

<sup>21</sup> The Exemptive Application provides that the Investment Company or their agent will request that the Exchange halt trading in the applicable series of Managed Portfolio Shares where: (i) The intraday indicative values calculated by the calculation engines differ by more than 25 basis points for 60 seconds in connection with pricing of the VIIV; or (ii) holdings representing 10% or more of a series of Managed Portfolio Shares' portfolio have become subject to a trading halt or otherwise do not have readily available market quotations. Any such requests will be one of many factors considered in order to determine whether to halt trading in a series of Managed Portfolio Shares and the Exchange retains sole discretion in determining whether trading should be halted. As provided in the Exemptive Application, each series of Managed Portfolio Shares would employ a pricing verification agent to continuously compare two intraday indicative values during regular trading hours in order to ensure the accuracy of the VIIV.

<sup>22</sup> 15 U.S.C. 78f(b).

<sup>23</sup> 15 U.S.C. 78f(b)(5).

trading in Shares of the Fund pursuant to Rule 8.900–E(d)(2)(C)(i) and such issue persists past the trading day in which it occurred; (e) if the Fund has failed to file any filings required by the Commission or if the Exchange is aware that the Fund is not in compliance with the conditions of any currently applicable exemptive order or no-action relief granted by the Commission or Commission staff with respect to the Fund; (f) if any of the continued listing requirements set forth in Rule 8.900–E are not continuously maintained; (g) if any of the statements of representations regarding (a) the description of the portfolio, (b) limitations on portfolio holdings, or (c) the applicability of Exchange listing rules as specified herein to permit the listing and trading of the Fund, are not continuously maintained; or (h) if such other event shall occur or condition exists which, in the opinion of the Exchange, makes further dealings on the Exchange inadvisable.

As discussed above, the Adviser is not registered as a broker-dealer but is affiliated with a broker-dealer and has implemented and will maintain a “fire wall” with respect to such affiliate broker-dealer regarding access to information concerning the composition and/or changes to the Fund’s portfolio and Creation Basket. The Sub-Adviser is neither registered as a broker-dealer nor affiliated with a broker-dealer. In the event that (a) the Adviser or Sub-Adviser becomes registered as a broker-dealer or becomes newly affiliated with a broker-dealer, or (b) any new adviser or sub-adviser is a registered broker-dealer or becomes affiliated with a broker-dealer, the Adviser or Sub-Adviser, as applicable, will implement and maintain a fire wall with respect to personnel of the broker-dealer or broker-dealer affiliate regarding access to information concerning the composition and/or changes to the portfolio and/or Creation Basket. Any person related to the Adviser, Sub-Adviser, or the Trust who makes decisions pertaining to the Fund’s portfolio composition or that has access to information regarding the Fund’s portfolio or changes thereto or the Creation Basket will be subject to procedures designed to prevent the use and dissemination of material non-public information regarding such portfolio or changes thereto and the Creation Basket.

In addition, Rule 8.900–E(b)(5) requires that any person or entity, including an AP Representative, custodian, Reporting Authority, distributor, or administrator, who has access to non-public information regarding the Investment Company’s

portfolio composition or changes thereto or the Creation Basket, must be subject to procedures designed to prevent the use and dissemination of material non-public information regarding the applicable Investment Company portfolio or changes thereto or the Creation Basket. Moreover, if any such person or entity is registered as a broker-dealer or affiliated with a broker-dealer, such person or entity will erect and maintain a “fire wall” between the person or entity and the broker-dealer with respect to access to information concerning the composition and/or changes to such Investment Company portfolio or Creation Basket. Any person or entity who has access to information regarding the Fund’s portfolio composition or changes thereto or the Creation Basket will be subject to procedures designed to prevent the use and dissemination of material nonpublic information regarding the portfolio or changes thereto or the Creation Basket.

The Exchange further believes that Rule 8.900–E is designed to prevent fraudulent and manipulative acts and practices related to the listing and trading of Shares of the Fund because it provides meaningful requirements about both the data that will be made publicly available about the Shares, as well as the information that will only be available to certain parties and the controls on such information. Specifically, the Exchange believes that the requirements related to information protection set forth in Rule 8.900–E(b)(5) will act as a safeguard against misuse and improper dissemination of information related to the Fund’s portfolio composition, the Creation Basket, or changes thereto. The requirement that any person or entity implement procedures to prevent the use and dissemination of material non-public information regarding the portfolio or Creation Basket will act to prevent any individual or entity from sharing such information externally and the internal “fire wall” requirements applicable where an entity is a registered broker-dealer or affiliated with a broker-dealer will act to make sure that no entity will be able to misuse the data for their own purposes. Accordingly, the Exchange believes that this proposal is designed to prevent fraudulent and manipulative acts and practices.

The Exchange further believes that the proposal is designed to prevent fraudulent and manipulative acts and practices related to the listing and trading of Shares of the Fund and to promote just and equitable principles of trade and to protect investors and the

public interest because the Exchange would halt trading under certain circumstances under which trading in the Shares of the Fund may be inadvisable. Specifically, trading in the Shares will be subject to Rule 8.900–E(d)(2)(C)(i), which provides that the Exchange may consider all relevant factors in exercising its discretion to halt trading in the Fund. Trading may be halted because of market conditions or for reasons that, in the view of the Exchange, make trading in the series of Managed Portfolio Shares inadvisable. These may include: (a) The extent to which trading is not occurring in the securities and/or the financial instruments composing the portfolio; or (b) whether other unusual conditions or circumstances detrimental to the maintenance of a fair and orderly market are present.<sup>24</sup> Additionally, trading in the Shares will be subject to Rule 8.900–E(d)(2)(C)(ii), which provides that the Exchange would halt trading where the Exchange becomes aware that: (a) The VIIV of a series of Managed Portfolio Shares is not being calculated or disseminated in one second intervals, as required; (b) the NAV with respect to a series of Managed Portfolio Shares is not disseminated to all market participants at the same time; (c) the holdings of a series of Managed Portfolio Shares are not made available on at least a quarterly basis as required under the 1940 Act; or (d) such holdings are not made available to all market participants at the same time (except as otherwise permitted under the currently applicable exemptive order or no-action relief granted by the Commission or Commission staff to the Investment Company with respect to the series of Managed Portfolio Shares). The Exchange would halt trading in such Shares until such time as the VIIV, the NAV, or the holdings are available, as required.

With respect to the proposed listing and trading of Shares of the Fund, the Exchange believes that the proposed rule change is designed to prevent fraudulent and manipulative acts and practices in that the Shares will be listed and traded on the Exchange pursuant to the initial and continued listing criteria in Rule 8.900–E.<sup>25</sup> The Fund’s holdings will conform to the permissible investments as set forth in the Exemptive Application and Exemptive Order.<sup>26</sup> As noted above,

<sup>24</sup> See note 21, *supra*.

<sup>25</sup> The Exchange represents that, for initial and continued listing, the Fund will be in compliance with Rule 10A–3 under the Act. See 17 CFR 240.10A–3.

<sup>26</sup> See note 10, *supra*.

FINRA, on behalf of the Exchange, or the regulatory staff of the Exchange, or both, will communicate as needed regarding trading in the Shares and the underlying exchange-traded instruments with other markets and other entities that are members of the ISG, and FINRA, on behalf of the Exchange, or the regulatory staff of the Exchange, or both, may obtain trading information regarding trading such securities from such markets and other entities. In addition, the Exchange may obtain information regarding trading in the Shares and the underlying exchange-traded instruments from markets and other entities that are members of ISG or with which the Exchange has in place a comprehensive surveillance sharing agreement.

With respect to trading of Shares of the Fund, the ability of market participants to buy and sell Shares at prices near the VIIV is dependent upon their assessment that the VIIV is a reliable, indicative real-time value for the Fund's underlying holdings. Market participants are expected to accept the VIIV as a reliable, indicative real-time value because (1) the VIIV will be calculated and disseminated based on the Fund's actual portfolio holdings, (2) the securities in which the Fund plans to invest are generally highly liquid and actively traded and trade at the same time as the Fund and therefore generally have accurate real time pricing available, and (3) market participants will have a daily opportunity to evaluate whether the VIIV at or near the close of trading is indeed predictive of the actual NAV.

The proposed rule change is designed to promote just and equitable principles of trade and to protect investors and the public interest in that the Exchange will obtain a representation that the NAV per Share of the Fund will be calculated daily and that the NAV will be made available to all market participants at the same time. Investors can also obtain the Fund's SAI, its shareholder reports, its Form N-CSR (filed twice a year), and its Form N-CEN (filed annually). The Fund's SAI and shareholder reports will be available free upon request from the Fund, and those documents and the Form N-PORT, Form N-CSR, and Form N-CEN may be viewed on-screen or downloaded from the Commission's website at [www.sec.gov](http://www.sec.gov). In addition, a large amount of information will be publicly available regarding the Fund and the Shares, thereby promoting market transparency. Quotation and last sale information for the Shares will be available via the CTA high-speed line. Information regarding the VIIV will be widely disseminated in one second

intervals throughout the Exchange's Core Trading Session by the Reporting Authority and/or one or more major market data vendors. The website for the Fund will include a prospectus for the Fund that may be downloaded, and additional data relating to NAV and other applicable quantitative information, updated on a daily basis. Moreover, prior to the commencement of trading, the Exchange will inform its members in an Information Bulletin of the special characteristics and risks associated with trading the Shares.

In addition, as noted above, investors will have ready access to the VIIV, and quotation and last sale information for the Shares. The Shares will conform to the initial and continued listing criteria under Rule 8.900-E. The Fund's investments, including derivatives, will be consistent with its investment objective and will not be used to enhance leverage (although certain derivatives and other investments may result in leverage). That is, the Fund's investments will not be used to seek performance that is the multiple or inverse multiple (e.g., 2X or -3X) of the Fund's primary broad-based securities benchmark index (as defined in Form N-1A).

The Exchange also believes that the proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest in that it will facilitate the listing and trading of actively-managed exchange-traded products that will enhance competition among market participants, to the benefit of investors and the marketplace. As noted above, the Exchange has in place surveillance procedures relating to trading in the Shares and may obtain information via ISG from other exchanges that are members of ISG or with which the Exchange has entered into a comprehensive surveillance sharing agreement. In addition, as noted above, investors will have ready access to information regarding the VIIV and quotation and last sale information for the Shares.

For the above reasons, the Exchange believes that the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes the proposed rule change would permit the listing and trading of an additional actively-

managed exchange-traded product, thereby promoting competition among exchange-traded products to the benefit of investors and the marketplace.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>27</sup> and Rule 19b-4(f)(6) thereunder.<sup>28</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>29</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission notes it has approved, and noticed for immediate effectiveness, proposed rule changes to permit listing and trading on the Exchange of Managed Portfolio Shares similar to the Funds.<sup>30</sup> The proposed listing rule for the Fund raises no novel legal or regulatory issues. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change operative upon filing.<sup>31</sup>

<sup>27</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>28</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>29</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>30</sup> See *supra* note 5.

<sup>31</sup> For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-802, OMB Control No. 3235-0758]

##### **Submission for OMB Review; Comment Request; Extension: Rule 30e-3**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), ("Paperwork Reduction Act") the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Section 30(e) of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") requires a registered investment company ("fund") to transmit to its shareholders, at least semi-annually, reports containing financial statements and other financial information as the Commission may prescribe by rules and regulations. Rules 30e-1 (17 CFR 270.30e-1) and 30e-2 (17 CFR 270.30e-2) under the Investment Company Act require most funds to send their shareholders annual and semiannual reports containing financial information on the fund.

Rule 30e-3 (17 CFR 270.30e-3) under the Investment Company Act (15 U.S.C. 80a-1 *et seq.*) provides certain funds and unit investment trusts with an optional method to satisfy shareholder report transmission requirements by making such reports and certain other materials publicly accessible on a website, as long as they satisfy certain other conditions of the rule regarding: (a) Availability of the report and other materials; (b) notice to investors of the website availability of the report; and (c)

delivery of paper copies of materials upon request. Reliance on the rule is voluntary. Responses to the disclosure requirements are not kept confidential.

The Commission estimates that 13,079 funds could rely on rule 30e-3. Of these funds, we estimate that 90% (or 11,771 funds) are currently relying on rule 30e-3. With respect to these 11,771 funds, we estimate that 90% (or 10,594 funds) already post shareholder reports on their websites for other purposes. In total, rule 30e 3 will impose an average total annual hour burden of 24,719 hours on applicable funds. Based on the Commission's estimate of 24,719 hours and an estimated wage rate of about \$362 per hour, the total annual cost to registrants of the hour burden for complying with rule 30-3 is about \$8.9 million.

Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. The collection of information under rule 30e-3 is mandatory. The information provided under rule 30e-3 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following website, [www.reginfo.gov](http://www.reginfo.gov).
