A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted at <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Communications received by July 7, 2023 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), the U.S. Department of Transportation (DOT) solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2023-0018]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this

document provides the public notice that on February 13, 2023, the Little River Railroad (LRR) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR parts 215 (Railroad Freight Car Safety Standards) and 224 (Reflectorization of Rail Freight Rolling Stock). FRA assigned the petition Docket Number FRA-2023-0018.

Specifically, LRR requested a special approval pursuant to 49 CFR 215.203, *Restricted cars*, for a total of 5 cars, comprised of 2 stock cars (LRR 82990 and LRR 83022) and 3 cabooses (LRR 2630, LRR 2623, and LRR 1976) that are more than 50 years from the date of original construction. LRR also requests relief from § 224.101, *General requirements*, to operate the cars in tourist/excursion service. In support of its request, LRR states that the cars will not be interchanged and will be operated at restricted speed/yard limits.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.
