SUPPLEMENTARY INFORMATION:

Background

Codex was established in 1962 by two United Nations organizations, the Food and Agriculture Organization (FAO) and the World Health Organization (WHO). Codex is the major international organization for protecting the health and economic interests of consumers and encouraging fair international trade in food. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to ensure that the world's food supply is sound, wholesome, free from adulteration, and correctly labeled. In the United States, USDA, the Food and Drug Administration of the Department of Health and Human Services, and the Environmental Protection Agency manage and carry out U.S. Codex.

The Codex Committee on Processed Fruits and Vegetables elaborates world wide standards for various processed fruits and vegetables, including certain dried and canned products. This committee does not cover standards for fruit and vegetable juices. The Commission has also allocated to this Committee the work of revision of standards for quick frozen fruits and vegetables. The Committee is chaired by the United States of America.

Issues To Be Discussed at the Public Meeting

The provisional agenda items will be discussed during the public meeting:

1. Adoption of the Agenda.
2. Matters Referred by the Codex Alimentarius Commission and other Codex Committees.
3. Consideration of Codex Draft Revised Standards at Step 7. Pickled Products.
4. Consideration of Proposed Draft Codex Standards at Step 4. Processed Tomato Concentrates. Canned Tomatoes. Canned Vegetables, including Guidelines for Packing Media for Canned Vegetables. Jams, Jellies and Marmalades. Soy Sauce. Canned Citrus Fruits.
5. Proposals for Amendments to the Priority List for the Standardization of Processed Fruits and Vegetables.
6. Other Business and Future Work. Methods of Analysis and Sampling for Processed Fruits and Vegetables. Each issue listed will be fully described in documents distributed, or to be distributed, by the United States' Secretariat to the Meeting. Members of the public may access or request copies of these documents (*see ADDRESSES*).

Public Meeting

At the August 31st public meeting, the agenda items will be described, discussed, and attendees will have the opportunity to pose questions and offer comments. The Committee also provides advice to the Centers for Disease Control and Prevention and the Departments of Commerce and Defense.

Dr. Merle Pierson, Deputy Under Secretary for Food Safety, USDA, is the Committee Chair, Dr. Robert E. Brackett, Director of Food and Drug Administration's Center for Food Safety and Applied Nutrition (CFSAN), is the Vice-Chair, and Gerri Ransom, FSIS, is the Executive Secretariat.

At the meetings the week of August 24-27, 2004, the Committee will discuss:

- Continuing work on performance standards for ground chicken/ground turkey;
