BILLING CODE 6353-01-P**COMMITTEE FOR PURCHASE FROM
PEOPLE WHO ARE BLIND OR
SEVERELY DISABLED****Procurement List Additions****AGENCY:** Committee for Purchase From
People Who Are Blind or Severely
Disabled.**ACTION:** Additions to the Procurement
List.**SUMMARY:** This action adds to the
Procurement List products to be
furnished by nonprofit agencies
employing persons who are blind or
have other severe disabilities.**DATES:** *Effective Date:* July 15, 2007.**ADDRESSES:** Committee for Purchase
From People Who Are Blind or Severely
Disabled, Jefferson Plaza 2, Suite 10800,
1421 Jefferson Davis Highway,
Arlington, Virginia 22202-3259**FOR FURTHER INFORMATION CONTACT:**Kimberly M. Zeich, Telephone: (703)
603-7740, Fax: (703) 603-0655, or
e-mail CMTEFedReg@jwod.gov.**SUPPLEMENTARY INFORMATION:** On April
20, 2007, the Committee for Purchase
From People Who Are Blind or Severely
Disabled published notice (72 FR 19878)
of proposed additions to the
Procurement List.Comments were received from two
cap manufacturers who are not current
contractors for the cap requirement
(Cap, Utility, Camouflage Pattern, Air
Force (ABU)) which was proposed for
addition to the Procurement List. Both
manufacturers objected to the statement
in the Regulatory Flexibility Act
Certification contained in the
Committee's notice of proposed
addition to the Procurement List that
the proposed addition "will not have a
significant impact on a substantial
number of small entities." These two
companies claimed that developments
in the military headwear industry,
including additions to the Procurement
List, had severely reduced their
opportunities in the industry, as well as
reducing the number of small entities
participating in the industry from five to
two."Small entities" as defined by the
Regulatory Flexibility Act at 5 U.S.C.
601(6) include small nonprofit agencies
as well as small businesses. There are at
least five nonprofit agencies
participating in the Committee's
program which are currently producing
military headwear. Even if seven small
entities could be considered a
substantial number, the positive impact
on five of them should balance the
negative impact noted by the two
manufacturers. Consequently, the

Committee stands by its statement in the Regulatory Flexibility Act certification questioned by the two manufacturers.

This addition to the Procurement List merely raises the Committee's share of the cap in question from 25 percent of the Government requirement to 50 percent. It does not foreclose bidding by the two manufacturers on the remaining 50 percent of the requirement. In light of the fact that the Committee is only required to assess impact on the current contractors for a product being considered for addition to the Procurement List, the limitation of the Committee's share of the cap requirement shows that the Committee is sensitive to the industry impact concerns raised by the two manufacturers.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and impact of the additions on the current or most recent contractors, the Committee has determined that the products listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products to the Government.

2. The action will result in authorizing small entities to furnish the products to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products proposed for addition to the Procurement List.

End of Certification

Accordingly, the following products are added to the Procurement List:
