Determinations

On the basis of the record¹ developed in the subject five-year reviews, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that revocation of the countervailing and antidumping duty orders on common alloy aluminum sheet from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.²

Background

The Commission instituted these reviews on January 2, 2024 (89 FR 96) and determined on April 8, 2024 that it would conduct expedited reviews (89 FR 43873, May 20, 2024).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on August 23, 2024. users for noncriminal justice purposes including employment and licensing. A portion of the fee is intended to reimburse the FBI for the cost of providing fingerprint-based and name-based CHRI checks (“cost reimbursement portion” of the fee). The FBI is also authorized to charge an additional amount to defray expenses for the automation of fingerprint identification and criminal justice information services and associated costs (“automation portion” of the fee). This notice provides the revised fee schedule.

DATES: This revised fee schedule is effective January 1, 2025.

FOR FURTHER INFORMATION CONTACT: Ms. Cynthia D. Harris, Chief, Financial Management Unit, Resources Management Section, Criminal Justice Information Services (CJIS) Division, FBI, 1000 Custer Hollow Road, Module D–3, Clarksburg, WV 26306. Telephone number 304–625–4152.

SUPPLEMENTARY INFORMATION: Pursuant to the authority in Public Law 101–515, as amended and codified at 34 United States Code (U.S.C.) section 41104, the FBI has established user fees for authorized agencies requesting noncriminal justice fingerprint-based and name-based CHRI checks. These noncriminal justice, fingerprint-based CHRI checks are performed for noncriminal justice, non-law enforcement employment and licensing purposes, and for certain employees of private sector contractors with classified government contracts. The noncriminal justice, name-based CHRI checks are biographic checks of the biometric system limited to those agencies authorized via 5 U.S.C. 9101, Security Clearance Information Act of 1985.

In accordance with the requirements of Title 28, Code of Federal Regulations (CFR), section 20.31(e), the FBI periodically reviews the process of providing fingerprint-based and name-based CHRI checks to determine the proper fee amounts which should be collected, and the FBI publishes any resulting fee adjustments in the **Federal Register**.

A fee study was conducted in keeping with 28 CFR 20.31(e)(2) and employed the methodology detailed in **Federal Register** notices 75 FR 18751 and 83 FR 48335. The fee study results recommended a decrease in the fingerprint-based and name-based CHRI checks from the current user fees published in the **Federal Register** on August 4, 2022 (87 FR 47794), which have been in effect since October 1, 2022. The FBI reviewed the results of the independently conducted User Fee
