The SDEIS considers a composite action alternative, which is composed of elements from the five action alternatives already analyzed in the DEIS, and provides recent updates on the affected environment and the environmental impacts associated with the composite alternative. NMFS is requesting written comments on the SDEIS to assist NMFS with its final decision on the Tribe's request.

DATES: Written or electronic comments from all interested parties are encouraged and must be received no later than 5 p.m. Pacific Daylight Time on August 15, 2022. All comments and material received, including names and addresses, will become part of the
