

of the USAFTA Implementation Act. See Section 203(o)(2)(B)(i) of the USAFTA Implementation Act. Executive Order 11651 established CITA to supervise the implementation of textile trade agreements and authorizes the Chairman of CITA to take actions or recommend that the United States take actions necessary to implement textile trade agreements. 37 FR 4699 (March 4, 1972).

On February 1, 2008, the Chairman of CITA received a request from Gentry Mills, alleging that certain viscose rayon fiber, classified in HSTUS subheading 5504.10.0000, cannot be supplied by the domestic or Australian industry in commercial quantities in a timely manner and requesting that CITA consider whether the USAFTA rule of origin for 52% viscose/48% polyester blended yarn, classified under HTSUS subheading 5510.90.2000 should be modified to allow the use of non-U.S. and non-Australian viscose rayon fiber. On February 26, 2008, CITA published in the Federal Register a request for public comment on the proposed modification (73 FR 10227). No public comments were received alleging that viscose rayon fiber could be supplied in commercial quantities in a timely manner. Subsequently, the United States requested consultations with the Government of Australia on Gentry Mills' request. In those consultations, the Government of Australia proposed expanding the scope of the modification of the rule of origin to all yarns under HTSUS subheading 5510.90 to allow the use of non-U.S. and non-Australian viscose rayon fiber.

CITA is soliciting public comments regarding this proposal to expand the scope of the rule of origin modification to all yarns in HTSUS subheading 5510.90 to allow the use of non-U.S. and non-Australian viscose rayon fiber. Comments must be received no later than September 5, 2008. Interested persons are invited to submit six copies of such comments or information to the Chairman, Committee for the Implementation of Textile Agreements, Room 3001, U.S. Department of Commerce, 14th and Constitution Avenue, N.W., Washington, DC 20230.

CITA will protect any business confidential information that is marked "business confidential" from disclosure to the full extent permitted by law. CITA will make available to the public non-confidential versions of the request and non-confidential versions of any public comments received with respect to a request in room 3001 in the Herbert Hoover Building, 14th and Constitution Avenue, N.W., Washington, DC 20230. Persons submitting comments on a

request are encouraged to include a non-confidential version and a non-confidential summary.
