

processed commodities may help to further refine Agency dietary exposure assessments. Commodities that predominate in children's diets will be a special focus of attention.

EPA is seeking stakeholder involvement to make the process most effective. Interested parties are asked to provide information on raw agricultural commodities, associated processed commodities and livestock feedstuffs derived from the RACs, and/or processed commodities. Information provided could include:

1. Amount of RAC, processed commodity, or feedstuff produced;
2. Common processing practices;
3. Disposition of processing wastes;
4. Regional production/distribution of feedstuffs;
5. Cultural practices and harvesting information needed to assess the RAC;
6. Portion of commodity consumed;
7. Percent dry matter at sampling stages; or
8. Changes in the maximum percent of livestock diet.

Information concerning national or local distribution or utilization of livestock feedstuffs is desirable. All information supplied should be accompanied with adequate supporting documentation.

Additional raw agricultural commodities will be incorporated into Table 1 as appropriate. It is anticipated that Table 1 will also be expanded to include more processed commodities. Interested parties are encouraged to submit information on processed commodities not previously considered in Table 1.

B. What is the Agency's Authority for Taking this Action?

In response to a FIFRA Scientific Advisory Panel recommendation that the Agency, "... retain a standing committee to continue monitoring and updating the contents of this table," the Agency is now updating Table 1. The feedstuffs section of Table 1 was the primary focus of revisions reflected in the August 1996 revision. Effectively, the processed commodities have not been updated since the original 1982 version of Table 1.

AGENCY: Federal Housing Finance Board.

ACTION: Notice of Extension of Time to File Requests to Intervene and Expansion of Permissible Intervenor.

Copies of non-confidential portions of the Petition and of non-confidential portions of Requests to Intervene will be available for inspection at this address.

SUPPLEMENTARY INFORMATION: The Dallas Bank filed the Petition, dated December 8, 2000, and received by the Finance Board on December 11, 2000, requesting that the Finance Board approve the membership of Washington Mutual Bank, FA (WMBFA), currently a

member of the San Francisco Bank, in the Dallas Bank upon completion of the merger of Bank United into WMBFA, under section 4(b) of the Federal Home Loan Bank Act (Bank Act) and § 925.18(a)(2) of the Finance Board's regulations, thereby allowing WMBFA to be a member of both the San Francisco and Dallas Banks. *See* 12 U.S.C. 1424(b); 12 CFR 925.18(a)(2). On December 27, 2000, the Finance Board published a Notice of Receipt of the Petition (Notice) in the **Federal Register**. 65 FR 81861 (Dec. 27, 2000). The Notice stated, among other things, that, pursuant to the Finance Board's Procedures Regulation, 12 CFR part 907, any member, Bank, or the Office of Finance may file a Request to Intervene in consideration of the Petition in accordance with 12 CFR 907.11 if it believes its rights may be affected by the issues raised by the Petition. The Notice stated that any Request to Intervene must be in writing and must be filed with the Secretary to the Finance Board within 45 days from the date the Petition was filed, *i.e.*, by January 25, 2001. *See* 12 CFR 907.11(a)(1).

Potential intervenors have requested an extension of time of 45 days within which to file Requests to Intervene, on the basis that additional time is needed to fully consider the ramifications of the fundamental legal, political and policy issues of first impression raised by the Petition that are critical to the structure and function of the Bank System. In addition, persons not otherwise listed as parties eligible to file a Request to Intervene under § 907.8(b) of the Finance Board's Procedures Regulation have inquired whether they could be granted permission to file a Request to Intervene. *See* 12 CFR 907.8(b).

After consideration of the above requests and the importance of the issues raised by the Petition, pursuant to § 907.15(a) of the Finance Board's Procedures Regulation, the Finance Board has waived the 45-day deadline for filing Requests to Intervene in § 907.11(a)(1), and extended the deadline for an additional 30 days, *i.e.*, to February 24, 2001; because February 24 is a Saturday, Requests to Intervene due on February 24 may be filed on the next business day, *i.e.*, February 26, 2001. *See* 12 CFR 907.11(a)(1), 907.15(a). The Finance Board also has waived the provisions of § 907.8(b) that would limit the persons eligible to file a Request to Intervene, to allow any interested persons to file a Request to Intervene in connection with the Dallas Bank Petition. *See* 12 CFR 907.8(b).
