SUPPLEMENTARY INFORMATION:

Title: Collection and Transmission of Annual AMC Registry Fees.

OMB Number: 3139–0008.

Abstract: States that register and supervise appraisal management companies (AMCs) are required to collect and transmit annual AMC registry fees to the ASC. 12 CFR part 1102, and in particular section 1102.402, established the annual AMC registry fee for States that register and supervise AMCs as follows: (1) In the case of an AMC that has been in existence for more than a year, \$25 multiplied by the number of appraisers who have performed an appraisal for the AMC on a covered transaction in such State during the previous year; and (2) in the case of an AMC that has not been in existence for more than a year, \$25 multiplied by the number of appraisers who have performed an appraisal for the AMC on a covered transaction in such State since the AMC commenced doing business. Performance of an appraisal means the appraisal service requested of an appraiser by the AMC was provided to the AMC. Section 1102.403 requires AMC registry fees to be collected and transmitted to the ASC on an annual basis by States that register and supervise AMCs. Only those AMCs whose registry fees have been transmitted to the ASC are eligible to be on the AMC Registry for the 12-month

period following the payment of the fee. Section 1102.403 clarified that States may align a one-year period with any 12-month period, which may, or may not, be based on the calendar year. The registration cycle is left to the individual States to determine.

Current Action: There are no changes being made to this regulation.

Type of Review: Extension of a currently approved collection.

Affected Public: States; businesses or other for-profit and not-for-profit organizations.

Estimated Number of Respondents: 500 AMCs, 55 States.

Estimated Total Annual Burden

Hours: 500 hours.

Frequency of Response: Event generated.
