

DEPARTMENT OF JUSTICE**Bureau of Alcohol, Tobacco, Firearms and Explosives**

[OMB Number 1140-0024]

Agency Information Collection Activities: Proposed Collection; Comments Requested: Report of Firearms Transactions**ACTION:** 30-Day Notice of Information Collection.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 76, Number 220, page 70755, on Tuesday, November 15, 2011, allowing for a 60 day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until February 22, 2012. This process is conducted in accordance with 5 CFR 1320.10. Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden or associated response time, should be directed to The Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of

appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Summary of Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* Report of Firearms Transactions.

(3) *Form Number:* ATF F 5300.5. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Business or other for-profit. Other: None.

Need for Collection

The information collection documents transactions of firearms for law enforcement purposes. ATF uses the information to determine that the transaction is in accordance with laws and regulations, and establishes the person(s) involved in the transactions.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that 790 respondents will complete a 1 hour form.

(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 790 annual total burden hours associated with this collection.

SUPPLEMENTARY INFORMATION:**I. Background**

In applying for both H-1B grant programs, grantees agree to submit participant-level data and quarterly aggregate reports for individuals who receive services through H-1B programs and their partnerships with business-related nonprofit organizations, education and training providers, including community colleges and other community-based organizations, entities involved in administering the workforce investment system established under Title I of WIA, and economic development agencies, among others. The reports include aggregate data on demographic characteristics, types of services received, placements, outcomes, and follow-up status. Specifically, they summarize data on participants who received employment and training services, placement services, and other services essential to
