The use of the OCA is voluntary and is provided: (1) as a uniform format to the public and private sector to submit information in order to receive assistance in identifying an occupational code; (2) to assist the O\*NET system in identifying potential occupations that may need to be included in future O\*NET data

collection efforts; and (3) to provide input to a database of alternative (lay) titles to facilitate searches for occupational information in the O\*NET websites. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 6, 2022 (87 FR 19975).
