\* Minor revisions to the language on the forms since the last OMB submission, but burden has not been impacted.

\*\* Average Burden was increased from 1 to 1.25, compared to the prior version of this package.

\*\*\* Average Burden was increased from 1 to 1.25, compared to the prior version of this package. This is due to an additional field being added for Family Planning covered entities.

\*\*\*\* Total Burden Hours are rounded up to the nearest whole number.

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.
