

Frequency of Response: On occasion.

Affected Public: Depositors of failed insured institutions who own or have an interest in a testamentary deposit account, a trust account, a defined benefit plan, or other retirement account will be required to complete one or more forms.

Estimated Annual Number of Respondents: 5025.

Estimated Time per Response: The time per response will range from one-half hour to one hour depending on the form required.

Estimated Total Annual Burden: 2739 hours.

General Description of Collection: When a bank is closed by the primary regulatory authority, the FDIC has the responsibility to pay the insured claims of the failed bank depositors. When determining insured and uninsured amounts it is often necessary to obtain information from the depositors to ensure adherence to the FDIC's Deposit Insurance Rules and Regulations. The proposed collection will place 15 forms on the FDIC's Web site that will expedite depositors' making insurance claims.

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments submitted in response to this notice also will be summarized or included in the FDIC's requests to OMB for renewal of this collection. All comments will become a matter of public record.

Dated at Washington, DC, this 4th day of May, 2004.

Analysis of Agreement Containing Consent Orders To Aid Public Comment

I. Introduction

The Federal Trade Commission (“Commission”) has accepted, subject to final approval, an Agreement Containing Consent Orders (“Consent Agreement”) from L’Air Liquide, S.A., which is designed to remedy the anticompetitive effects resulting from L’Air Liquide, S.A.’s acquisition of the entire share capital of Messer Griesheim GmbH (“Messer”) and the subsequent transfer of Messer Griesheim Industries, Inc. (“MGI”) to its wholly-owned subsidiary American Air Liquide.

Under the terms of the Consent Agreement, American Air Liquide is required to divest the air separation units (“ASUs”) and related assets currently owned and operated by MGI in the following six locations: (1) Vacaville, California; (2) Irwindale, California; (3) San Antonio, Texas, (4) Westlake, Louisiana; (5) DeLisle, Mississippi; and (6) Waxahachie, Texas. The divestiture will take place no later than six months from the date the Consent Agreement becomes final. The Consent Agreement also includes an Agreement to Hold Separate that requires American Air Liquide to preserve the ASUs as viable, competitive and ongoing operations until the divestiture is achieved.

The proposed Consent Agreement has been placed on the public record for thirty (30) days to solicit comments from interested persons. Comments received during this period will become part of the public record. After thirty
