SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Collective Investment Funds Conversion Transactions, Prohibited Transaction Class Exemption 1997–41 (PTE 97–41) information collection. PTE 97–41 permits an employee benefit plan to purchase shares of an open-end registered investment company in exchange for plan assets transferred in-kind from a collective investment fund maintained by a bank or plan adviser, where the bank or plan adviser is the investment adviser of the investment company and a fiduciary of the plan, provided specified conditions are met. PTE 97–41 requires that an independent fiduciary receive advance written notice of any covered transaction, as well as specific written information concerning the mutual funds to be purchased. The independent fiduciary must also provide written advance approval of conversion transactions and receive written confirmation of each transaction, as well as additional on-going disclosures as defined in the exemption. Internal Revenue Code section 4975(c)(2) and Employee Retirement Income Security Act of 1974 section 408(a) authorize this information collection. See 26 U.S.C. 4975(c)(2), 29 U.S.C. 1108.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210–0104.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on November 30, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For

additional substantive information about this ICR, see the related notice published in the **Federal Register** on June 17, 2015 (80 FR 34696).
