### Coast Guard

#### 33 CFR Part 100

[Docket No. USCG–2015–0185]

RIN 1625–AA08

### Special Local Regulation; Glass City Scrimmage; Maumee River, Toledo, OH

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary Special Local Regulation on the Maumee River, Toledo, Ohio. This Special Local Regulation is necessary to protect race participants from other vessel traffic. This temporary Special Local Regulation is intended to restrict vessels from a portion of the Maumee River during the Glass City Scrimmage.

**DATES:** This rule will be effective from 6 a.m. until 1 p.m. on April 18, 2015.

**ADDRESSES:** Documents indicated in this preamble as being available in the docket are part of docket USCG–2015–0185. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, inserting USCG–2015–0185 in the “Keyword” box, and then clicking “search.” They are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary final rule, contact or email MST1 Brett A. Kreigh, U.S. Coast Guard Marine Safety Unit Toledo, at (419) 418–6046 or [brett.a.kreigh@uscg.mil](mailto:brett.a.kreigh@uscg.mil) If you have questions on viewing the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone 202–366–9826.

#### A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM with respect to this rule because doing so would be impracticable. Additional details regarding this emergent event were received from the event sponsor after the annual permitting process but not received in sufficient time for the Coast Guard to publish an NPRM and solicit public comments before the occurrence of the event. Thus, waiting for a notice and comment period to run would inhibit the Coast Guard from protecting the public and vessels from hazards associated with the event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

#### B. Basis and Purpose

On Saturday, April 18, 2015, from 6 a.m. to 1 p.m. an organized racing event will take place on the Maumee River where participants will row shell boats from the Craig Memorial Bridge at River Mile 3.30 to the Martin Luther King Jr. Memorial Bridge at River Mile 4.30 on the Maumee River in Toledo, OH. The Captain of the Port Detroit has determined that this boat race, due to its close proximity to watercraft and being

in the shipping channel, poses extra and unusual hazards to public safety and property, including potential collisions, allisions, and individuals falling into the water. Establishing a special local regulated area is necessary to protect persons and property at these events and help minimize the associated risks.

#### C. Discussion of Rule

This rule will be enforced 6 a.m. until 1 p.m. on April 18, 2015. The Coast Guard requires that all vessels transiting the area proceed at a no-wake speed and maintain extra vigilance at all times.

Vessel traffic may proceed down the West side of the river at a no wake speed during racing. The races will stop for oncoming freighter or commercial traffic. The on-scene representative or event sponsor representatives may permit vessels to transit the area when no race activity is occurring. The on-scene representative may be present on any Coast Guard, state or local law enforcement vessel assigned to patrol the event.

This temporary Special Local Regulation will encompass all U.S. waters on the Maumee River, Toledo, OH from the Craig Memorial Bridge at River Mile 3.30 to the Martin Luther King Jr. Memorial Bridge at River Mile 4.30.

The Captain of the Port will notify the affected segments of the public of the enforcement of this Special Local Regulation by all appropriate means, including a Broadcast Notice to Mariners and Local Notice to Mariners.

#### D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

##### 1. Regulatory Planning and Review

This temporary final rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that Order. We conclude that this temporary final rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any

grant or loan recipients, and will not raise any novel legal or policy issues. The temporary Special Local Regulation will be relatively small and be enforced for a relatively short time. Thus, restrictions on vessel movement within that particular area are expected to be minimal.

## 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this temporary final rule will not have a significant economic impact on a substantial number of small entities.

This temporary final rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in the portion of the Maumee River discussed above from 6 a.m. until 1 p.m. on April 18, 2015.

## 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against entities that question or complain about this rule or any policy or action of the Coast Guard.

## 4. Collection of Information

This temporary final rule will call for no new collection of information under

the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

## 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

## 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

## 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

## 8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

## 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

## 10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children From Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

## 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order

13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

## 12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

## 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

## 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a special local regulation issued in conjunction with a regatta or marine parade and therefore is categorically excluded under figure 2–1, paragraph (34)(h), of the Instruction. During the annual permitting process for this boat racing event an environmental analysis was conducted to include the effects of this special local regulation.

## List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

## PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233.

■ 2. Add temporary § 100.35T–0185 to read as follows:

**§ 100.35T–0185 Special Local Regulation, Glass City Scrimmage, Toledo, OH.**

(a) *Location.* The regulated area includes all U.S. navigable waters of the Maumee River, Toledo, OH, from the Craig Memorial Bridge at River Mile 3.30 to the Martin Luther King Jr. Memorial Bridge at River Mile 4.30.

(b) *Enforcement period.* This section will be enforced from 6 a.m. until 1 p.m. on April 18, 2015.

(c) *Regulations.* (1) Consistent with § 100.901 of this part, vessels transiting within the regulated area shall travel at a no-wake speed and remain vigilant at all times. Additionally, vessels within the regulated area must yield right-of-way for event participants and event safety craft. Commercial vessels will have right-of-way over event participants, and event safety craft.

(2) The “on-scene representative” of the Captain of the Port, Sector Detroit is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port, Sector Detroit to act on his behalf. The on-scene representative of the Captain of the Port, Sector Detroit will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port, Sector Detroit or his designated on scene representative may be contacted via VHF Channel 16.

(3) Vessel operators entering or operating in the special local regulated area must comply with all directions given to them by the Captain of the Port, Sector Detroit or his on-scene representative.

Dated: March 31, 2015.

**Special Local Regulation; Hebda Cup Rowing Regatta; Detroit River, Wyandotte, MI**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary special local regulation on the Trenton Channel of the Detroit River, Wyandotte, Michigan.

This action is necessary and intended to ensure safety of life on the navigable waters immediately prior to, during, and immediately after the Hebda Cup Rowing Regatta. This special local regulation will establish restrictions upon, and control movement of, vessels in a portion of the Trenton Channel. During the enforcement period, no person or vessel may enter the regulated area without permission of the Captain of the Port.

**DATES:** This rule will be effective from 7 a.m. until 4:30 p.m. on April 25, 2015.

**ADDRESSES:** Documents mentioned in this preamble are part of docket USCG–2015–0190. § Section

**A. Regulatory History and Information**

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking with respect to this rule because waiting for a notice and comment period to run would be impracticable. The final details of this boat race were not provided from the event sponsor to the

Coast Guard with sufficient time for the Coast Guard to publish an NPRM and solicit public comments before the occurrence of the event. Thus, waiting for a notice and comment period to run would inhibit the Coast Guard’s ability to protect the public from the hazards associated with this boat race.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

**B. Basis and Purpose**

On April 25, 2015, the Wyandotte Boat Club is holding a rowing race that will require the immediate area to be clear of all vessel traffic. The rowing race will occur from 7 a.m. until 4:30 p.m. The Captain of the Port Detroit has determined that the likely combination of recreation vessels, commercial vessels, and large numbers of spectators in close proximity to the boat race along the water pose extra and unusual hazards to public safety and property. Thus, the Captain of the Port Detroit has determined that establishing a Special Local Regulation around the location of the race’s course will help minimize risks to safety of life and property during this event.

**C. Discussion of Rule**

This rule will be enforced from 7 a.m. until 4:30 p.m. on April 25, 2015. It will encompass all waters of the Detroit River, Trenton Channel between the following two lines going from bank-to-bank: The first line is drawn directly across the channel from position  $42^{\circ}10'58''$  N.,  $083^{\circ}9'23''$  W. (NAD 83); the second line, to the north, is drawn directly across the channel from position  $42^{\circ}11'44''$  N.,  $083^{\circ}8'56''$  W. (NAD 83). This regulation will be enforced on April 25, 2015, from 7 a.m. until 4:30 p.m.

Two thirds of the Trenton Channel on the western portion of the regulated area, from the Wyandotte shoreline to a point approximately 670 feet east into the channel, will be designated as the race zone, while the remaining third portion on the eastern side of the regulated area, approximately 330 feet in width, will be designated as a spectator zone for pleasure crafts.

Entry into, transiting, or anchoring within the regulated area is prohibited unless authorized by the Captain of the Port Detroit or his designated on-scene representative. Entry into and transiting within the spectator zone of the
