DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP20-507-000]

Transcontinental Gas Pipe Line Company, LLC; Sea Robin Pipeline Company, LLC; Florida Gas Transmission Company, LLC; Notice of Request for Extension of Time

Take notice that on December 22, 2021, Transcontinental Gas Pipe Line Company, LLC (Transco), 2800 Post Oak Boulevard, Houston, Texas 77056, requested that the Federal Energy Regulatory Commission (Commission) grant an extension of time, until December 31, 2022, in order to complete abandonment activities as authorized in Transco's VR22 to Shore Abandonment Project (Project) in the March 18, 2021 Order Granting Abandonment¹ (March 18 Order). The March 18 Order, Ordering Paragraph (C) required Transco² to complete abandonment of the facilities within one year of the order date.

Transco's request for an extension of time until December 31, 2022 to complete abandonment of the Project facilities, due the timing of the issuance of the Louisiana Department of Natural Resources' Office of Coastal Management—Coastal Use Permit, which is anticipated to be received early 2022. Transco estimates that it will submit a Notice-to-Proceed request during the first quarter of 2022. Transco states that its extension request is also due to the challenging nature of offshore activities. Transco asserts that the extended time will allow flexibility in scheduling around weather events that may delay abandonment activities.

This notice establishes a 15-calendar day intervention and comment period deadline. Any person wishing to comment on Transco's request for an extension of time may do so. No reply comments or answers will be considered. If you wish to obtain legal status by becoming a party to the
