Cooperative State Research, Education, and Extension Service

Title: Children, Youth, and Families at Risk (CYFAR) Year End Report.

OMB Control Number: 0524-0043.

Summary of Collection: The Children, Youth, and Families at Risk (CYFAR) funding program supports community-based programs serving children, youth, and families in at risk environments. CYFAR funds are intended to support the development of high quality, effective programs based on research and to document the impact of these programs on intended audiences which are children, youth, and families in at-risk environments. The CYFAR Year End Report collects demographic and impact data from each community site, which is used by the Cooperative State Research, Education, and Extension Service (CSREES). Funding for the CYFAR is authorized under section 3(d) of the Smith-Lever Act (7 U.S.C. 341 *et seq.*), as amended and other relevant authorizing legislation, which provides jurisdictional basis for the establishment and operation of extension educational work for the benefit of youth and families in communities.

Need and Use of the Information: The purpose of the CYFAR Year End Report is to collect the demographic and impact data from each community site in order to evaluate the impact of the programs on intended audiences. The CYFAR data is also used to respond to requests for impact information from Congress, the White House, and other Federal agencies. Data from the CYFAR annual reports is used to refine and improve program focus and effectiveness. Without the information CSREES would not be able to verify if CYFAR programs are reaching at risk, low-income audiences.
