SUPPLEMENTARY INFORMATION:

Titles: Confirmation, Portfolio Reconciliation, Portfolio Compression, and Swap Trading Relationship Documentation Requirements for Swap Dealers and Major Swap Participants (OMB control number 3038-0088). This is a request for revision of this currently approved information collection.

Abstract: Pursuant to the authority granted to it by Section 731 of Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act, Pub L. No. 111-203, 124 Stat. 1376 (2010)), the Commission promulgated regulation 23.504, among others. This regulation obligates swap dealers ("SDs") and major swap participants ("MSPs") to develop and retain written swap trading relationship documentation, which is essential to ensuring that SDs and MSPs document their swaps. The ICRs for this regulation are included under OMB control number 3038-0088.

The United Kingdom ("UK") has provided formal notice of its intention to withdraw from the European Union ("EU"). This withdrawal may happen as soon as April 12, 2019 and may transpire without a negotiated agreement between the UK and EU (No-deal Brexit). To the extent this event occurs, affected SDs and MSPs may be involved in transfers of certain uncleared swaps, including uncleared swaps that were entered into before the relevant compliance dates under the CFTC Margin Rule² or the Prudential

Margin Rule and that, therefore, may not be subject to such rules, in whole or in part.

The Commission is adopting an interim final rule ("Final Rule") amending the CFTC Margin Rule such that the date used for purposes of determining whether an uncleared swap was entered into prior to an applicable compliance date will not change under the CFTC Margin Rule if the swap is transferred, and thereby amended, in accordance with the terms of the Final Rule in respect of any such transfer. In doing so, the Final Rule, subject to its requirements, allows an uncleared swap to retain its legacy status when transferred in connection with a No-deal Brexit. As a condition to the relief in the Final Rule, in certain cases, the Commission requires that the transferor of a legacy swap make certain representations to the SD or MSP that is a party to the swap in the swap trading relationship documentation relating to such transfer. The Commission proposes to revise the burden of OMB control number 3038-0088 to reflect this requirement.

Burden Statement: As a condition to the relief in the Final Rule, in certain cases, the Commission requires that the transferor of a legacy swap make certain representations to the SD or MSP that is a party to the swap in the swap trading relationship documentation relating to such transfer. The Commission is revising the burden of this OMB number to reflect the inclusion of this requirement in the Final Rule. Specifically, the Commission estimates that this requirement will increase the burden under OMB control number 3038-0088 as follows:

Respondents/Affected Entities: SDs and MSPs and their counterparties.

Estimated Number of Respondents: 52.

Estimated Total Annual Burden on Respondents: 1,404 hours.

Frequency of Collection: Periodically.

There are no capital costs or operating and maintenance costs associated with this collection.

Dated: March 26, 2019.

Deputy Secretary of the Commission.

SUPPLEMENTARY INFORMATION:

Title of Collection: Consumer Response Government and Congressional Portal Boarding Forms.

OMB Control Number: 3170-0057.

Type of Review: Revision of a currently approved collection.

Affected Public: State, Local, and Tribal Governments; Federal Government.

Estimated Number of Respondents: 60.

Estimated Total Annual Burden Hours: 14.

Abstract: Section 1013(b)(3)(A) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Act) requires the Bureau to “facilitate the centralized collection of, monitoring of, and response to consumer complaints regarding consumer financial products or services.”¹ The Act also requires the Bureau to “share consumer complaint information with prudential regulators, the Federal Trade Commission, other Federal agencies, and State agencies.”²

In furtherance of its statutory mandates related to consumer complaints, the Bureau utilizes Government and Congressional Portal Boarding Forms (Boarding Forms) to register users for access to secure, web-based portals. The Bureau has developed separate portals for congressional users and other government users as part of its secure web portal offerings (the “Government Portal” and the “Congressional Portal,” respectively).³

Request for Comments: The Bureau issued a 60-day **Federal Register** notice on December 17, 2018, 83 FR 64567, Docket Number: CFPB-2018-0040. Comments were solicited and continue to be invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the

continue to use the 3170-0015 control number for Regulation Z.

¹ Codified at 12 U.S.C. 5493(b)(3)(A).

² Dodd-Frank Act section 1013(b)(3)(D), codified at 12 U.S.C. 5493(b)(3)(D).

³ In addition to the boarding forms for congressional and government users, the Bureau utilizes a separate OMB-approved form to board companies onto their own distinct portal to access complaints submitted against them, through OMB Control No. 3170-0054 (Consumer Complaint Intake System Company Portal Boarding Form Information Collection System; expires July 31, 2018).

³ On March 6, 2019, the Bureau published a notification in the **Federal Register** titled “Technical Specifications for Submissions to the Prepaid Account Agreements Database.” 84 FR 7979 (Mar. 6, 2019) (Technical Specifications). The Technical Specifications relate to a provision in 12 CFR 1005.19, added to Regulation E by the Prepaid Accounts Rule, which requires a prepaid account issuer to make submissions of its currently-offered prepaid account agreements on a rolling basis, in the form and manner specified by the Bureau. While the Technical Specifications do not introduce any new or revised collections of information beyond what is already contemplated

by the Prepaid Accounts Rule, for purposes of the PRA, OMB considers them as instructions for an information collection and, as such, have been included in OMB’s docket for OMB number 3170-0014.

⁴ The Bureau divided certain proposals to amend the Bureau’s Regulation Z into separate ICRs in the OMB system (accessible at www.reginfo.gov) to ease the public’s ability to view and understand the individual proposals. The Bureau anticipates that it will combine OMB Number 3170-0050 into the existing control number for Regulation Z (OMB Number 3170-0015). Bureau respondents should
