

merchandise, only the threaded rod is included in the scope.

Excluded from the scope of this order are: (1) threaded rod, bar, or studs which are threaded only on one or both ends and the threading covers 25 percent or less of the total actual length; and (2) stainless steel threaded rod, defined as steel threaded rod containing, by weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with or without other elements.

Excluded from the scope of the antidumping order on steel threaded rod from the People's Republic of China is any merchandise covered by the existing antidumping order on Certain Steel Threaded Rod from the People's Republic of China. *See Certain Steel Threaded Rod from the People's Republic of China: Notice of Antidumping Duty Order*, 74 FR 17154 (April 14, 2009).

Specifically excluded from the scope of this order is threaded rod that is imported as part of a package of hardware in conjunction with a ready-to-assemble piece of furniture.

Alloy and certain carbon steel threaded rod are currently classifiable under subheadings 7318.15.5051, 7318.15.5056, and 7318.15.5090 of the Harmonized Tariff Schedule of the United States (HTSUS). Subject merchandise may also enter under subheading 7318.15.2095 and 7318.19.0000 of the HTSUS. The HTSUS subheadings are provided for convenience and U.S. Customs purposes only. The written description of the scope is dispositive.

[RTID 0648–XE992]

Fisheries of the Gulf of America; Southeast Data, Assessment, and Review (SEDAR); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of SEDAR 100 Pre-Data Workshop Webinar for Gulf Gray Triggerfish.

SUMMARY: The SEDAR 100 assessment process of Gulf gray triggerfish will consist of a Data Workshop, and a series of assessment webinars, and a Review Workshop. see **SUPPLEMENTARY INFORMATION**.

DATES: The SEDAR 100 Pre-Data Workshop Webinar will be held July 15, 2025, from 11 a.m. until 1 p.m. Eastern Time.

ADDRESSES:

Meeting address: The meeting will be held via webinar. The webinar is open to members of the public. Those interested in participating should

contact Julie A. Neer at SEDAR (See Contact Information Below) to request an invitation providing webinar access information. Please request webinar invitations at least 24 hours in advance of each webinar.

SEDAR address: 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT: Julie A. Neer, SEDAR Coordinator; (843) 571–4366. Email: Julie.neer@safmc.net.

SUPPLEMENTARY INFORMATION: The Gulf, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with the National Marine Fisheries Service and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a multi-step process including: (1) Data Workshop, (2) a series of assessment webinars, and (3) A Review Workshop. The product of the Data Workshop is a report that compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The assessment webinars produce a report that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The product of the Review Workshop is an Assessment Summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, Highly Migratory Species (HMS) Management Division, and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion during the Pre-Data Workshop scoping webinar are as follows:

Participants will discuss what data may be available for use in the assessment.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically

identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least (5) five business days prior to each workshop.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: June 24, 2025.

Rey Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[RTID 0648–XE990]

Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting, hearings, and public comment opportunities.

SUMMARY: The Pacific Fishery Management Council (Pacific Council) will convene three public hearings regarding the trawl catch share program review.

DATES: The hearings will be held on Thursday, July 17, 2025, from 6–9 p.m. Pacific Time (PT), Monday, July 21, 2025, from 6–9 p.m. PT and Tuesday, July 29, 2025, from 9 a.m.–12 p.m. PT. Hearing times are an estimate, hearings will end when business for the day has been completed.

ADDRESSES: The first hearing on July 17, 2025, will be held in Eureka, California. The second hearing on July 21, 2025, will be held in Newport, Oregon. The third hearing on Tuesday, July 29, 2025, will be held online. Meeting location and specifics will be posted on the Pacific Council's website (<https://www.pcouncil.org>) when available.

Council address: Pacific Fishery Management Council, 7700 NE Ambassador Place, Suite 101, Portland, OR 97220-1384.

FOR FURTHER INFORMATION CONTACT: Jessi Waller, Pacific Council; telephone: (503) 820-2415.

SUPPLEMENTARY INFORMATION: Periodic reviews of catch shares program are required by the Magnuson-Stevens Fishery Conservation and Management Act. The Pacific Council initiated its second review of the trawl catch share program in 2022 and is scheduled to receive a preliminary draft of the review document in September 2025. The three hearings will provide a general briefing on the state of the catch share program since the last review completed in 2017 and provide an opportunity for stakeholder feedback on how the program is performing.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt (kris.kleinschmidt@pcouncil.org; (503) 820-2412) at least 10 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: June 24, 2025.

Rey Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

South Atlantic Fishery Management Council (Council); Public Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of the South Atlantic Fishery Management Council's Habitat and Ecosystem Advisory Panel Meeting.

SUMMARY: The Council will hold a meeting of the Habitat and Ecosystem Advisory Panel Tuesday, July 15, 2025 through Thursday, July 17, 2025.

DATES: The Habitat and Ecosystem Advisory Panel (AP) meeting will be held July 15, 2025, from 1 p.m. until 5 p.m.; July 16, 2025, from 8:30 a.m. until 4:30 p.m.; and July 17, 2025, from 8:30 a.m. until 1 p.m., EDT.

ADDRESSES:

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

Meeting Address: The meeting will be held at the Doubletree by Hilton North Charleston Convention Center, 5264 International Blvd., North Charleston, SC 29418. 843-576-0300.

The meeting will also be available via webinar. Registration is required. Webinar registration, an online public comment form, and briefing book materials will be available two weeks prior to the meeting at: <https://safmnc.net/advisory-panel-meetings/>.

FOR FURTHER INFORMATION CONTACT:

Kathleen Howington, Habitat and Ecosystem Scientist, Kathleen.howington@safmnc.net; phone: (843) 725-7580.

SUPPLEMENTARY INFORMATION: The Habitat and Ecosystem AP will discuss the revisions to the Council's Alterations to Riverine, Estuarine and Nearshore Flows Policy and the Food Webs and Connectivity Policy. The AP will also discuss the impact of activities related to space exploration off the Florida coast on habitat. The AP will receive their annual summary of projects that were commented on by the Habitat Conservation Division of NOAA and a summary from the National Centers for Coastal Ocean Science on Beneficial Use projects and their impacts on habitat. AP members will receive a presentation on fish mortality that occurred within the vicinity of Coastal Virginia Offshore Wind construction as well as a presentation on the habitat impacts of telecommunication subsea fiber cables to inform the AP of potential impacts future wind energy development may have on the surrounding South Atlantic habitat. The AP will receive an update on the Council's Resilient Fisheries Projects and Changing Ecosystems and Fisheries projects, review the Habitat and Ecosystem AP outreach and communication plan, the AP work plan, and discuss an approach for the next

Essential Fish Habitat 5-year review. The AP will provide recommendations to the Council on other topics as needed.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for auxiliary aid should be directed to the Council office (see **ADDRESSES**) five (5) days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*

Transforming In Situ Global Ocean Observing Systems Through Public-Private Partnerships

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Office of Oceanic and Atmospheric Research (OAR), Department of Commerce (DOC).

ACTION: Notice; request for information (RFI).

SUMMARY: NOAA recognizes the pivotal roles of academia and industry in driving competition, innovation, and efficiency through strategic public-private partnerships. This RFI is soliciting information from organizations across these various sectors to assess interest and capability for adopting the long-term operation and sustainment of mature global observing systems—or elements of these observing systems (*e.g.*, deployments, data management, etc.). This RFI is for informational purposes only and does not constitute a request for proposals or solicitation for a contract or grant award, nor does it obligate the Government in any way. The Government will not reimburse respondents for any costs associated with responding to this request.

DATES: Responses must be received on or before July 31st.

ADDRESSES: Interested parties are requested to submit capability statements describing their qualifications, expertise, products, and data delivery methods addressing one or
