Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS Web page located at: <http://www.fsis.usda.gov/federal-register>.

FSIS also will make copies of this publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is available on the FSIS Web page. Through the Web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <http://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Institute of Standards and Technology, Commerce.

Title: Summer High School Intern Program (SHIP).

OMB Control Number: 0693-XXXX.

Form Number(s): None.

Type of Request: Regular Submission (new collection).

Number of Respondents: 350.

Average Hours per Response: 8.

Burden Hours: 2,800.

Needs and Uses: The Summer High School Intern Program (SHIP) is a NIST-wide 8-week summer intern program for students who will have finished their junior or senior year of high school by

the start of the program, are U.S. citizens, and are interested in scientific research. Students selected for this competitive volunteer program will participate in cutting-edge research at NIST, and will work closely with NIST staff scientists and engineers on a specific research problem.

The first round of the application process is completed via an on-line application through the Student Information System which collects basic biographical information about the student. This information is reviewed and finalists are invited to submit secondary materials via email to ship@nist.gov. These secondary materials include a resume, transcript, letters of recommendation, personal statement, and parental consent and commitment form.

Affected Public: Individuals or households; local government (public schools).

Frequency: Once a year.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.

Dated: February 20, 2015.
