

Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Ridge Crest.

On September 6, 2001, pursuant to delegated authority, the Director, Division of Tariffs and Market Development-West, granted the requests for blanket approval under part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by Ridge Crest, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing protests is September 20, 2007.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, Ridge Crest is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Ridge Crest, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Ridge Crest's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. [Docket No. EL07-94-000]

Montana Consumer Counsel, Complainant, v. PPL Montana, LLC, PPL Energy Plus, LLC, PPL Colstrip I, LLC, PPL Colstrip II, LLC, Respondent.; Notice of Complaint

September 6, 2007.

Take notice that on September 5, 2007, the Montanan Consumer Counsel (Montana Consumer), filed a complaint against PPL Montana LLC, PPL Energy Plus, LLC, PPL Colstrip I, LLC, and PPL Colstrip II, LLC (collectively, PPL-M), pursuant to Federal Power Act (FPA) section 206. The Complaint states in part:

Because PPL-M has market power and its rates reflect that fact, the Montana Consumer requests that the Commission institute an investigation into the justness and reasonableness of PPL-M's rates and set a refund effective date for those rates. The refund effective date should be the earliest permissible under the FPA section 206(b), 16 U.S.C. 824e(b). Montana Consumer recognizes that the Commission has ruled that PPL-M is entitled to market rate authority. Montana Consumer files this complaint as a protective matter so that if the Court of Appeals reverses the Commission's orders, the consumers of Montana will be protected against unnecessary impediments to the granting of effective relief.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for

review in the Commission's Public Reference Room in Washington, DC.
